14. REMUNERATION AND INDEMNIFICATION OF TRUSTEE

- 14.1 The Issuer shall pay to the Trustee, by way of remuneration for its services as trustee of these presents, such amount as shall be agreed from time to time between the Issuer and the Trustee in writing. Such remuneration shall accrue from day to day and be payable (in priority to payments to Noteholders and Couponholders) up to and including the date when, all the Notes having become due for redemption, the redemption moneys and interest thereon to the date of redemption have been paid to the Principal Paying Agent or the Trustee PROVIDED THAT if upon due presentation of any Note or Coupon or any cheque or other payment of the moneys due in respect thereof is improperly withheld or refused, remuneration will be deemed not to have ceased to accrue and will continue to accrue until payment to such Noteholder or Couponholder is duly made.
- 14.2 In the event of the occurrence of an Event of Default or a Potential Event of Default, the Issuer hereby agrees that the Trustee shall be entitled to be paid additional remuneration, which may be calculated at its normal hourly rates in force from time to time. In any other case, if the Trustee considers it expedient or necessary or is requested by the Issuer to undertake duties which the Trustee and the Issuer agree to be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee under these presents the Issuer shall pay to the Trustee such additional remuneration as shall be agreed between them (and which may be calculated by reference to the Trustee's normal hourly rates in force from time to time).
- 14.3 The Issuer shall in addition pay to the Trustee an amount equal to the amount of any value added tax or similar tax chargeable in respect of its remuneration under these presents properly payable by the Trustee or a member of its group.
- 14.4 In the event of the Trustee and the Issuer failing to agree:
- (a) (in a case to which subclause 14.1 above applies) upon the amount of the remuneration; or
 - (b) (in a case to which subclause 14.2 above applies) upon whether such duties shall be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee under these presents, or upon such additional remuneration,
- such matters shall be determined by a person (acting as an expert and not as an arbitrator) selected by the Trustee and approved by the Issuer or, failing such approval, nominated (on the application of the Trustee) by the President for the time being of The Law Society of England and Wales (the expenses involved in such nomination and the fees of such person being payable by the Issuer) and the determination of any such person shall be final and binding upon the Trustee and the Issuer.
- 14.5 Without prejudice to the right of indemnity by law given to trustees, the Issuer shall indemnify the Trustee and every Appointee and keep it or him indemnified against all Liabilities to which it or he may be or become subject or which may be incurred by it or him in the preparation and execution or purported execution of any of its or his trusts, powers, authorities and discretions under these presents or its or his functions under any such appointment or in respect of any other matter or thing done or omitted in any way relating to these presents or any such appointment (including all Liabilities incurred in disputing or defending any of the foregoing).
- 14.6 The Issuer shall also pay or discharge all Liabilities incurred by the Trustee and every Appointee in relation to the preparation and execution of, the exercise of its powers and the performance of its duties under, and in any other manner in relation to, these presents, including but not limited to travelling expenses and any stamp, issue, registration, documentary and other similar documentary taxes or duties paid or payable by the Trustee in connection with any action taken or contemplated by or on

behalf of the Trustee for enforcing, or resolving any doubt concerning, or for any other purpose in relation to, these presents.

- 14.7 Where any amount which would otherwise be payable by the Issuer under subclause 14.5 or subclause 14.6 has instead been paid by any person or persons other than the Issuer (each, an **Indemnifying Party**), the Issuer shall pay to the Trustee an equal amount for the purpose of enabling the Trustee to reimburse the Indemnifying Parties.
- 14.8 All amounts payable pursuant to subclauses 14.5 and 14.6 shall be payable by the Issuer on the date specified in a demand by the Trustee and in the case of payments actually made by the Trustee prior to such demand shall carry interest at the rate equal to the Trustee's cost of borrowing from the date specified and in all other cases shall (if not paid within 30 days after the date of such demand or, if such demand specifies that payment is to be made on an earlier date, on such earlier date) carry interest at such rate from such thirtieth day of such other date specified in such demand. All remuneration payable to the Trustee shall carry interest at such rate from the due date therefor. A certificate from the Trustee as to the Trustee's cost of borrowing on any particular date or during any particular period shall be conclusive and binding on the Issuer.
- 14.9 The Issuer hereby further undertakes to the Trustee that all monies payable by the Issuer to the Trustee under this Clause shall be made without set-off, counterclaim, deduction or withholding unless compelled by law in which event the Issuer will pay such additional amounts as will result in the receipt by the Trustee of the amounts which would otherwise have been payable by the Issuer to the Trustee under this Clause in the absence of any such set-off, counterclaim, deduction or withholding.
- 14.10 Unless otherwise specifically stated in any discharge of these presents the provisions of this Clause 14 shall continue in full force and effect notwithstanding such discharge.
- 14.11 The Trustee shall be entitled in its absolute discretion to determine in respect of which Series of Notes any Liabilities incurred under these presents have been incurred or to allocate any such Liabilities between the Notes of any Series.

15. SUPPLEMENT TO TRUSTEE ACTS

Section 1 of the Trustee Act 2000 shall not apply to the duties of the Trustee in relation to the trusts constituted by these presents. Where there are any inconsistencies between the Trustee Acts and the provisions of these presents, the provisions of these presents shall, to the extent allowed by law, prevail and, in the case of any such inconsistency with the Trustee Act 2000, the provisions of these presents shall constitute a restriction or exclusion for the purposes of that Act. The Trustee shall have all the powers conferred upon trustees by the Trustee Acts and by way of supplement thereto it is expressly declared as follows:

- (a) The Trustee may in relation to these presents act on the advice or opinion of or any information (whether addressed to the Trustee or not) obtained from any lawyer, valuer, accountant, surveyor, banker, broker, auctioneer or other expert whether obtained by the Issuer, the Trustee or otherwise and shall not be responsible for any Liability occasioned by so acting.
- (b) Any such advice, opinion or information may be sent or obtained by letter, facsimile transmission or electronic mail and the Trustee shall not be liable for acting on any advice, opinion or information purporting to be conveyed by any such letter, facsimile transmission or electronic mail although the same shall contain some error or shall not be authentic.
- (c) The Trustee may call for and shall be at liberty to accept as sufficient evidence of any fact or matter or the expediency of any transaction or thing a certificate signed by any two Authorised

Signatories of the Issuer and the Trustee shall not be bound in any such case to call for further evidence or be responsible for any Liability that may be occasioned by it or any other person acting on such certificate.

- (d) The Trustee shall be at liberty to hold these presents and any other documents relating thereto or to deposit them in any part of the world with any banker or banking company or company whose business includes undertaking the safe custody of documents or lawyer or firm of lawyers considered by the Trustee to be of good repute and the Trustee shall not be responsible for or required to insure against any Liability incurred in connection with any such holding or deposit and may pay all sums required to be paid on account of or in respect of any such deposit.
- (e) The Trustee shall not be responsible for the receipt or application of the proceeds of the issue of any of the Notes by the Issuer, the exchange of any Global Note for another Global Note or Definitive Notes or the delivery of any Global Note or Definitive Notes to the person(s) entitled to it or them.
- (f) The Trustee shall not be bound to give notice to any person of the execution of any documents comprised or referred to in these presents or to take any steps to ascertain whether any Event of Default, Potential Event of Default, or Change of Control has occurred and, until it shall have express notice pursuant to these presents to the contrary, the Trustee shall be entitled to assume that no Event of Default, Potential Event of Default, or Change of Control has occurred and that the Issuer is observing and performing all its obligations under these presents.
- (g) Save as expressly otherwise provided in these presents, the Trustee shall have absolute and uncontrolled discretion as to the exercise or non-exercise of its trusts, powers, authorities and discretions under these presents (the exercise or non-exercise of which as between the Trustee and the Noteholders and Couponholders shall be conclusive and binding on the Noteholders and Couponholders) and shall not be responsible for any Liability which may result from their exercise or non-exercise and in particular the Trustee shall not be bound to act at the request or direction of the Noteholders or otherwise under any provision of these presents or to take at such request or direction or otherwise any other action under any provision of these presents, without prejudice to the generality of subclause 8.2, unless it shall first be indemnified and/or secured and/or pre-funded to its satisfaction against all Liabilities to which it may render itself liable or which it may incur by so doing and the Trustee shall incur no liability for refraining to act in such circumstances.
- (h) The Trustee shall not be liable to any person by reason of having acted upon any Extraordinary Resolution in writing or any Extraordinary Resolution or other resolution purporting to have been passed at any meeting of the holders of Notes of all or any Series in respect whereof minutes have been made or any Extraordinary Resolution passed by way of electronic consents received through the relevant clearing system(s) in accordance with these presents or any direction or request of the holders of the Notes of all or any Series even though subsequent to its acting it may be found that there was some defect in the constitution of the meeting or the passing of the resolution or (in the case of an Extraordinary Resolution in writing) that not all such holders had signed the Extraordinary Resolution or (in the case of a direction or request) it was not signed by the requisite number of Noteholders or (in the case of an Extraordinary Resolution passed by electronic consents received through the relevant clearing system(s)) it was not approved by the requisite number of Noteholders or that for any reason the resolution, direction or request was not valid or binding upon such Noteholders and Couponholders.

- (i) The Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any Note or Coupon purporting to be such and subsequently found to be forged or not authentic.
- (j) Any consent or approval given by the Trustee for the purposes of these presents may be given on such terms and subject to such conditions (if any) as the Trustee thinks fit and notwithstanding anything to the contrary in these presents may be given retrospectively. The Trustee may give any consent or approval, exercise any power, authority or discretion or take any similar action (whether or not such consent, approval, power, authority, discretion or action is specifically referred to in these presents) if it is satisfied that the interests of the Noteholders will not be materially prejudiced thereby. For the avoidance of doubt, the Trustee shall not have any duty to the Noteholders in relation to such matters other than that which is contained in the preceding sentence.
- (k) The Trustee shall not (unless and to the extent ordered so to do by a court of competent jurisdiction) be required to disclose to any Noteholder or Couponholder any information (including, without limitation, information of a confidential, financial or price sensitive nature) made available to the Trustee by the Issuer or any other person in connection with these presents and no Noteholder or Couponholder shall be entitled to take any action to obtain from the Trustee any such information.
- (l) Where it is necessary or desirable for any purpose in connection with these presents to convert any sum from one currency to another it shall (unless otherwise provided by these presents or required by law) be converted at such rate or rates, in accordance with such method and as at such date for the determination of such rate of exchange, as may be agreed by the Trustee in consultation with the Issuer and any rate, method and date so agreed shall be binding on the Issuer, the Noteholders and the Couponholders.
- (m) The Trustee may certify that any of the conditions, events and acts set out in paragraphs 10.1(b) to (d) (other than the winding up or dissolution of the Issuer) and 10.1(f) to 10.1(h) inclusive of Condition 10.1 (each of which conditions, events and acts shall, unless in any case the Trustee in its absolute discretion shall otherwise determine, for all the purposes of these presents be deemed to include the circumstances resulting therein and the consequences resulting therefrom) is in its opinion materially prejudicial to the interests of the Noteholders and any such certificate shall be conclusive and binding upon the Issuer, the Noteholders and the Couponholders.
- (n) The Trustee as between itself and the Noteholders and the Couponholders may determine all questions and doubts arising in relation to any of the provisions of these presents. Every such determination, whether or not relating in whole or in part to the acts or proceedings of the Trustee, shall be conclusive and shall bind the Trustee and the Noteholders and the Couponholders.
- (o) In connection with the exercise by it of any of its trusts, powers, authorities and discretions under these presents (including, without limitation, any modification, waiver, authorisation, determination or substitution), the Trustee shall have regard to the general interests of the Noteholders as a class and shall not have regard to any interests arising from circumstances particular to individual Noteholders or Couponholders (whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual Noteholders or Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled

to claim, from the Issuer, the Trustee or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders except to the extent already provided for in Condition 8 and/or any undertaking given in addition thereto or in substitution therefor under these presents.

- (p) Any trustee of these presents being a lawyer, accountant, broker or other person engaged in any profession or business shall be entitled to charge and be paid all usual professional and other charges for business transacted and acts done by him or his firm in connection with the trusts of these presents and also his proper charges in addition to disbursements for all other work and business done and all time spent by him or his firm in connection with matters arising in connection with these presents.
- (q) The Trustee may whenever it thinks fit delegate by power of attorney or otherwise to any person or persons or fluctuating body of persons (whether being a joint trustee of these presents or not) all or any of its trusts, powers, authorities and discretions under these presents. Such delegation may be made upon such terms (including power to sub-delegate) and subject to such conditions and regulations as the Trustee may in the interests of the Noteholders think fit. The Trustee shall not be under any obligation to supervise the proceedings or acts of any such delegate or sub-delegate or be in any way responsible for any Liability incurred by reason of any misconduct or default on the part of any such delegate or sub-delegate. The Trustee shall within a reasonable time after any such delegation or any renewal, extension or termination thereof give notice thereof to the Issuer.
- (r) The Trustee may in the conduct of the trusts of these presents instead of acting personally employ and pay an agent (whether being a lawyer or other professional person) to transact or conduct, or concur in transacting or conducting, any business and to do, or concur in doing, all acts required to be done in connection with these presents (including the payment of money). The Trustee shall not be in any way responsible for any Liability incurred by reason of any misconduct or default on the part of any such agent or be bound to supervise the proceedings or acts of any such agent.
- (s) The Trustee may appoint and pay any person to act as a custodian or nominee on any terms in relation to such assets of the trusts constituted by these presents as the Trustee may determine, including for the purpose of depositing with a custodian these presents or any document relating to the trusts constituted by these presents and the Trustee shall not be responsible for any Liability incurred by reason of the misconduct, omission or default on the part of any person appointed by it hereunder or be bound to supervise the proceedings or acts of such person; the Trustee is not obliged to appoint a custodian if the Trustee invests in securities payable to bearer.
- (t) The Trustee shall not be responsible for the execution, delivery, legality, effectiveness, adequacy, genuineness, validity, performance, enforceability or admissibility in evidence of these presents or any other document relating or expressed to be supplemental thereto and shall not be liable for any failure to obtain any licence, consent or other authority for the execution, delivery, legality, effectiveness, adequacy, genuineness, validity, performance, enforceability or admissibility in evidence of these presents or any other document relating or expressed to be supplemental thereto.
- (u) The Trustee shall not be responsible to any person for failing to request, require or receive any legal opinion relating to the Notes or for checking or commenting upon the content of any such legal opinion and shall not be responsible for any Liability incurred thereby.

- (v) Subject to the requirements, if any, of the relevant Stock Exchange, any corporation into which the Trustee shall be merged or with which it shall be consolidated or any company resulting from any such merger or consolidation shall be a party hereto and shall be the Trustee under these presents without executing or filing any paper or document or any further act on the part of the parties thereto.
- (w) The Trustee shall not be bound to take any action in connection with these presents or any obligations arising pursuant thereto, including, without prejudice to the generality of the foregoing, forming any opinion or employing any financial adviser, where it is not satisfied that it will be indemnified against all Liabilities which may be incurred in connection with such action and may demand prior to taking any such action that there be paid to it in advance such sums as it considers (without prejudice to any further demand) shall be sufficient so to indemnify it and on such demand being made the Issuer shall be obliged to make payment of all such sums in full.
- (x) No provision of these presents shall require the Trustee to do anything which may (i) be illegal or contrary to applicable law or regulation; or (ii) cause it to expend or risk its own funds or otherwise incur any Liability in the performance of any of its duties or in the exercise of any of its rights, powers or discretions (including obtaining any advice which it might otherwise have thought appropriate or desirable to obtain), if it shall have grounds for believing that repayment of such funds or adequate indemnity against such risk or Liability is not assured to it.
- (y) Unless notified to the contrary, the Trustee shall be entitled to assume without enquiry (other than requesting a certificate pursuant to Clause 13(q)) that no Notes are held by, for the benefit of, or on behalf of, the Issuer, or any Subsidiary of the Issuer, any holding company of the Issuer, or any other Subsidiary of such holding company.
- (z) The Trustee shall have no responsibility whatsoever to the Issuer, any Noteholder or Couponholder or any other person for the maintenance of or failure to maintain any rating of any of the Notes by any rating agency.
- (aa) Any certificate, advice, opinion or report of the Auditors or any other expert or professional adviser called for by or provided to the Trustee (whether or not addressed to the Trustee) in accordance with or for the purposes of these presents may be relied upon by the Trustee as sufficient evidence of the facts stated therein notwithstanding that such certificate, advice, opinion or report and/or any engagement letter or other document entered into by the Trustee in connection therewith contains a monetary or other limit on the liability of the Auditors or such other expert or professional adviser in respect thereof and notwithstanding that the scope and/or basis of such certificate, advice, opinion or report may be limited by any engagement or similar letter or by the terms of the certificate, advice, opinion or report itself.
- (bb) The Trustee shall not be responsible for, or for investigating any matter which is the subject of, any recital, statement, representation, warranty or covenant of any person contained in these presents, or any other agreement or document relating to the transactions contemplated in these presents or under such other agreement or document.
- (cc) The Trustee shall not be liable or responsible for any Liabilities or inconvenience which may result from anything done or omitted to be done by it in accordance with the provisions of these presents.
- (dd) The Trustee may call for and shall rely on any records, certificate or other document of or to be issued by Euroclear or Clearstream, Luxembourg in relation to any determination of the

nominal amount of Notes represented by a NGN. Absent manifest error, any such records, certificate or other document shall be conclusive and binding for all purposes. The Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any such records, certificate or other document to such effect purporting to be issued by Euroclear or Clearstream, Luxembourg and subsequently found to be forged or not authentic.

- (ee) The Trustee shall not incur any liability to the Issuer, Noteholders or any other person in connection with any approval given by it pursuant to Clause 13(o) to any notice to be given to Noteholders by the Issuer; the Trustee shall not be deemed to have represented, warranted, verified or confirmed that the contents of any such notice are true, accurate or complete in any respects or that it may be lawfully issued or received in any jurisdiction.
- (ff) When determining whether an indemnity or any security or pre-funding is satisfactory to it, the Trustee shall be entitled to evaluate its risk in any given circumstance by considering the worst-case scenario and, for this purpose, it may take into account, without limitation, the potential costs of defending or commencing proceedings in England or elsewhere and the risk, however remote, of any award of damages against it in England or elsewhere.
- (gg) The Trustee shall be entitled to require that any indemnity or security given to it by the Noteholders or any of them be given on a joint and several basis and be supported by evidence satisfactory to it as to the financial standing and creditworthiness of each counterparty and/or as to the value of the security and an opinion as to the capacity, power and authority of each counterparty and/or the validity and effectiveness of the security.
- (hh) The Trustee shall not be responsible for monitoring compliance by any other party, or for monitoring whether any notices to Noteholders are given in compliance with the requirements of the relevant Stock Exchange or with any other legal or regulatory requirements.

16. TRUSTEE'S LIABILITY

- 16.1 Nothing in these presents shall exempt the Trustee from or indemnify it against any liability for any gross negligence, wilful default or fraud of which it may be guilty in relation to its duties under these presents where the Trustee has failed to show the degree of care and diligence required of it as trustee having regard to the provisions of these presents conferring on it any trusts, powers, authorities or discretions.
- 16.2 Notwithstanding any provision of these presents to the contrary, the Trustee shall not in any event be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits, business, goodwill or opportunity, whether direct or indirect), whether or not foreseeable, whether or not the Trustee can be regarded as having assumed responsibility at the time this Trust Deed is entered into, even if the Trustee has been advised of the likelihood of such loss or damage, unless the claim for loss or damage is made in respect of fraud on the part of the Trustee.

17. TRUSTEE CONTRACTING WITH THE ISSUER

Neither the Trustee nor any director or officer or holding company, subsidiary or associated company of a corporation acting as a trustee under these presents shall by reason of its or his fiduciary position be in any way precluded from:

- (a) entering into or being interested in any contract or financial or other transaction or arrangement with the Issuer or any person or body corporate associated with the Issuer (including without limitation any contract, transaction or arrangement of a banking or insurance nature or any contract, transaction or arrangement in relation to the making of loans

or the provision of financial facilities or financial advice to, or the purchase, placing or underwriting of or the subscribing or procuring subscriptions for or otherwise acquiring, holding or dealing with, or acting as paying agent in respect of, the Notes or any other notes, bonds, stocks, shares, debenture stock, debentures or other securities of, the Issuer, or any person or body corporate associated as aforesaid); or

- (b) accepting or holding the trusteeship of any other trust deed constituting or securing any other securities issued by or relating to the Issuer or any such person or body corporate so associated or any other office of profit under the Issuer or any such person or body corporate so associated,

and shall be entitled to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such contract, transaction or arrangement as is referred to in (a) above or, as the case may be, any such trusteeship or office of profit as is referred to in (b) above without regard to the interests of the Noteholders and notwithstanding that the same may be contrary or prejudicial to the interests of the Noteholders and shall not be responsible for any Liability occasioned to the Noteholders thereby and shall be entitled to retain and shall not be in any way liable to account for any profit made or share of brokerage or commission or remuneration or other amount or benefit received thereby or in connection therewith.

Where any holding company, subsidiary or associated company of the Trustee or any director or officer of the Trustee acting other than in his capacity as such a director or officer has any information, the Trustee shall not thereby be deemed also to have knowledge of such information and, unless it shall have actual knowledge of such information, shall not be responsible for any loss suffered by Noteholders resulting from the Trustee's failing to take such information into account in acting or refraining from acting under or in relation to these presents.

18. WAIVER, AUTHORISATION, DETERMINATION AND MODIFICATION

18.1 Waiver, Authorisation and Determination

The Trustee may without the consent or sanction of the Noteholders or the Couponholders and without prejudice to its rights in respect of any subsequent breach, Event of Default or Potential Event of Default from time to time and at any time but only if and in so far as in its opinion the interests of the Noteholders shall not be materially prejudiced thereby waive or authorise any breach or proposed breach by the Issuer of any of the covenants or provisions contained in these presents or the Agency Agreement or determine that any Event of Default or Potential Event of Default shall not be treated as such for the purposes of these presents PROVIDED ALWAYS THAT the Trustee shall not exercise any powers conferred on it by this Clause in contravention of any express direction given by Extraordinary Resolution or by a request under Condition 10 but so that no such direction or request shall affect any waiver, authorisation or determination previously given or made. Any such waiver, authorisation or determination may be given or made on such terms and subject to such conditions (if any) as the Trustee may determine, shall be binding on the Noteholders and the Couponholders and, if, but only if, the Trustee shall so require, shall be notified by the Issuer to the Noteholders in accordance with Condition 14 as soon as practicable thereafter.

18.2 Modification

The Trustee may without the consent or sanction of the Noteholders or the Couponholders at any time and from time to time concur with the Issuer in making any modification (a) to these presents or the Agency Agreement (other than any Basic Terms Modification) which in the opinion of the Trustee it may be proper to make PROVIDED THAT the Trustee is of the opinion that such modification is not materially prejudicial to the interests of the Noteholders or (b) to these presents or the Agency

Agreement, if in the opinion of the Trustee such modification is of a formal, minor or technical nature or to correct a manifest error or an error which, in the opinion of the Trustee, is proven. Any such modification may be made on such terms and subject to such conditions (if any) as the Trustee may determine, shall be binding upon the Noteholders and the Couponholders and, unless the Trustee agrees otherwise, shall be notified by the Issuer to the Noteholders in accordance with Condition 14 as soon as practicable thereafter. Notwithstanding the above, the Trustee shall be obliged to use its reasonable endeavours to effect any Benchmark Amendments in the circumstances and as otherwise set out in Condition 5.2(f) without any requirement for the consent or approval of the Noteholders or Couponholders.

18.3 **Breach**

Any breach of or failure to comply by the Issuer with any such terms and conditions as are referred to in subclauses 18.1 and 18.2 shall constitute a default by the Issuer in the performance or observance of a covenant or provision binding on it under or pursuant to these presents.

19. **COUPONHOLDERS**

19.1 **Holder of Definitive Bearer Note assumed to be Couponholder**

Wherever in these presents the Trustee is required or entitled to exercise a power, trust, authority or discretion under these presents, except as ordered by a court of competent jurisdiction or as required by applicable law, the Trustee shall, notwithstanding that it may have express notice to the contrary, assume that each Noteholder is the holder of all Coupons appertaining to each Definitive Bearer Note of which he is the holder.

19.2 **No Notice to Couponholders**

Neither the Trustee nor the Issuer shall be required to give any notice to the Couponholders for any purpose under these presents and the Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to holders of Bearer Notes in accordance with Condition 14.

20. **SUBSTITUTION**

20.1 The Trustee may, without the consent of the Noteholders or Couponholders, at any time agree with the Issuer to the substitution in place of the Issuer (or of the previous substitute under this Clause) as the principal debtor under these presents of any company being a Subsidiary of the Issuer (such substituted company being hereinafter called the **New Company**) provided that a trust deed is executed or some other form of undertaking is given by the New Company in form and manner satisfactory to the Trustee, agreeing to be bound by the provisions of these presents with any consequential amendments which the Trustee may deem appropriate as fully as if the New Company had been named in these presents as the principal debtor in place of the Issuer (or of the previous substitute under this Clause) and provided further that the Issuer unconditionally and irrevocably guarantees all amounts payable under these presents to the satisfaction of the Trustee.

20.2 The following further conditions shall apply to Clause 20.1 above:

- (i) the Issuer and the New Company shall comply with such other requirements as the Trustee may direct in the interests of the Noteholders;
- (ii) where the New Company is incorporated, domiciled or resident in, or subject generally to the taxing jurisdiction of, a territory other than or in addition to the Republic of Finland or any political sub-division or any authority therein or thereof

having power to tax, undertakings or covenants shall be given by the New Company in terms corresponding to the provisions of Condition 8 with the substitution for (or, as the case may be, the addition to) the references to the Republic of Finland of references to that other or additional territory in which the New Company is incorporated, domiciled or resident or to whose taxing jurisdiction it is subject and (where applicable) Condition 7.2 shall be modified accordingly;

- (iii) without prejudice to the rights of reliance of the Trustee under the immediately following paragraph (iv), the Trustee is satisfied that the relevant transaction is not materially prejudicial to the interests of the Noteholders; and
- (iv) if two Authorised Signatories of the New Company (or other officers acceptable to the Trustee) shall certify that the New Company is solvent both at the time at which the relevant transaction is proposed to be effected and immediately thereafter (which certificate the Trustee may rely upon absolutely) the Trustee shall not be under any duty to have regard to the financial condition, profits or prospects of the New Company or to compare the same with those of the Issuer or the previous substitute under this Clause as applicable.

20.3 Any such trust deed or undertaking under this Clause 20 shall, if so expressed, operate to release the Issuer or the previous substitute as aforesaid from all of its obligations as principal debtor under these presents. Not later than 14 days after the execution of such documents and compliance with such requirements, the New Company shall give notice thereof in a form previously approved by the Trustee to the Noteholders in the manner provided in Condition 14. Upon the execution of such documents and compliance with such requirements, the New Company shall be deemed to be named in these presents as the principal debtor in place of the Issuer (or in place of the previous substitute under this Clause) under these presents and these presents shall be deemed to be modified in such manner as shall be necessary to give effect to the above provisions and, without limitation, references in these presents to the Issuer shall, unless the context otherwise requires, be deemed to be or include references to the New Company.

21. CURRENCY INDEMNITY

The Issuer shall indemnify the Trustee, every Appointee, the Noteholders and the Couponholders and keep them indemnified against:

- (a) any Liability incurred by any of them arising from the non-payment by the Issuer of any amount due to the Trustee or the holders of the Notes and the Couponholders under these presents by reason of any variation in the rates of exchange between those used for the purposes of calculating the amount due under a judgment or order in respect thereof and those prevailing at the date of actual payment by the Issuer; and
- (b) any deficiency arising or resulting from any variation in rates of exchange between (i) the date as of which the local currency equivalent of the amounts due or contingently due under these presents (other than this Clause) is calculated for the purposes of any bankruptcy, insolvency or liquidation of the Issuer, and (ii) the final date for ascertaining the amount of claims in such bankruptcy, insolvency or liquidation. The amount of such deficiency shall be deemed not to be reduced by any variation in rates of exchange occurring between the said final date and the date of any distribution of assets in connection with any such bankruptcy, insolvency or liquidation.

The above indemnities shall constitute obligations of the Issuer separate and independent from its other obligations under the other provisions of these presents and shall apply irrespective of any indulgence

granted by the Trustee or the Noteholders or the Couponholders from time to time and shall continue in full force and effect notwithstanding the judgment or filing of any proof or proofs in any bankruptcy, insolvency or liquidation of the Issuer, for a liquidated sum or sums in respect of amounts due under these presents (other than this Clause). Any such deficiency as aforesaid shall be deemed to constitute a loss suffered by the Noteholders and the Couponholders and no proof or evidence of any actual loss shall be required by the Issuer or its liquidator or liquidators.

22. NEW AND ADDITIONAL TRUSTEES

22.1 New Trustees

The power to appoint a new trustee of these presents shall, subject as hereinafter provided, be vested in the Issuer but no person shall be appointed who shall not previously have been approved by an Extraordinary Resolution. One or more persons may hold office as trustee or trustees of these presents but such trustee or trustees shall be or include a Trust Corporation. Whenever there shall be more than two trustees of these presents the majority of such trustees shall be competent to execute and exercise all the duties, powers, trusts, authorities and discretions vested in the Trustee by these presents provided that a Trust Corporation shall be included in such majority. Any appointment of a new trustee of these presents shall as soon as practicable thereafter be notified by the Issuer to the Principal Paying Agent and the Noteholders.

22.2 Separate and Co-Trustees

Notwithstanding the provisions of subclause 22.1 above, the Trustee may, upon giving prior notice to the Issuer (but without the consent of the Issuer, the Noteholders or Couponholders), appoint any person established or resident in any jurisdiction (whether a Trust Corporation or not) to act either as a separate trustee or as a co-trustee jointly with the Trustee:

- (a) if the Trustee considers such appointment to be in the interests of the Noteholders;
- (b) for the purposes of conforming to any legal requirements, restrictions or conditions in any jurisdiction in which any particular act or acts is or are to be performed; or
- (c) for the purposes of obtaining a judgment in any jurisdiction or the enforcement in any jurisdiction of either a judgment already obtained or any of the provisions of these presents against the Issuer.

The Issuer irrevocably appoints the Trustee to be its attorney in its name and on its behalf to execute any such instrument of appointment. Such a person shall (subject always to the provisions of these presents) have such trusts, powers, authorities and discretions (not exceeding those conferred on the Trustee by these presents) and such duties and obligations as shall be conferred or imposed by the instrument of appointment. The Trustee shall have power in like manner to remove any such person. Such properly incurred remuneration as the Trustee may pay to any such person, together with any attributable Liabilities incurred by it in performing its function as such separate trustee or co-trustee, shall for the purposes of these presents be treated as Liabilities incurred by the Trustee.

23. TRUSTEE'S RETIREMENT AND REMOVAL

A trustee of these presents may retire at any time on giving not less than 60 days' prior written notice to the Issuer without giving any reason and without being responsible for any Liabilities incurred by reason of such retirement. The Noteholders may by Extraordinary Resolution remove any trustee or trustees for the time being of these presents. The Issuer undertakes that in the event of the only trustee of these presents which is a Trust Corporation (for the avoidance of doubt, disregarding for this

purpose any separate or co-trustee appointed under subclause 22.2) giving notice under this Clause or being removed by Extraordinary Resolution it will use its best endeavours to procure that a new trustee of these presents being a Trust Corporation is appointed as soon as reasonably practicable thereafter. The retirement or removal of any such trustee shall not become effective until a successor trustee being a Trust Corporation is appointed. If, in such circumstances, no appointment of such a new trustee has become effective within 60 days of the date of such notice or Extraordinary Resolution, the Trustee shall be entitled to appoint a Trust Corporation as trustee of these presents, but no such appointment shall take effect unless previously approved by an Extraordinary Resolution.

24. TRUSTEE'S POWERS TO BE ADDITIONAL

The powers conferred upon the Trustee by these presents shall be in addition to any powers which may from time to time be vested in the Trustee by the general law or as a holder of any of the Notes or Coupons.

25. NOTICES

Any notice or demand to the Issuer or the Trustee to be given, made or served for any purposes under these presents shall be given, made or served by sending the same by pre-paid post (first class if inland, first class airmail if overseas) or facsimile transmission, by email or by delivering it by hand as follows:

26. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

A person who is not a party to these presents has no rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these presents, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

27. GOVERNING LAW

These presents and any non-contractual obligations arising out of or in connection with these presents are governed by, and shall be construed in accordance with, English law.

28. SUBMISSION TO JURISDICTION

28.1 Subject to subclause 28.3 below, the English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with these presents, including any dispute as to its existence, validity, interpretation, performance, breach or termination or the consequences of its nullity and any dispute relating to any non-contractual obligations arising out of or in connection with it (a **Dispute**) and each party in relation to any Dispute submits to the exclusive jurisdiction of the English courts.

28.2 For the purpose of this Clause 28, the Issuer waives any objection to the English courts on the grounds that they are an inconvenient or inappropriate forum to settle any Dispute.

28.3 To the extent allowed by law, the Trustee, the Noteholders and the Couponholders may, in respect of any Dispute or Disputes, take (i) proceedings in any other court with jurisdiction; and (ii) concurrent proceedings in any number of jurisdictions.

28.4 The Issuer irrevocably and unconditionally appoints Law Debenture Corporate Services Limited at 8th Floor, 100 Bishopsgate, London, EC2N 4AG for the time being (and in the event of its ceasing so to act will appoint such other person as the Trustee may approve and as the Issuer may nominate in writing to the Trustee for the purpose) to accept service of process on its behalf in England in respect of any proceedings. The Issuer:

- (a) agrees to procure that, so long as any of the Notes remains liable to prescription, there shall be in force an appointment of such a person approved by the Trustee with an office in London with authority to accept service as aforesaid;
- (b) agrees that failure by any such person to give notice of such service of process to the Issuer shall not impair the validity of such service or of any judgment based thereon;
- (c) consents to the service of process in respect of any Proceedings by the airmailing of copies, postage prepaid, to the Issuer in accordance with Clause 25;
- (d) agrees that service of process in respect of any proceedings may also be served on it at any address for the time being at which service of process may be served on it in accordance with Section 1139(2) of the Companies Act 2006 or any successor provision thereto, if applicable; and
- (e) agrees that nothing in these presents shall affect the right to serve process in any other manner permitted by law.

29. COUNTERPARTS

This Trust Deed and any trust deed supplemental hereto may be executed and delivered in any number of counterparts, all of which, taken together, shall constitute one and the same deed and any party to

this Trust Deed or any trust deed supplemental hereto may enter into the same by executing and delivering a counterpart.

IN WITNESS whereof this Trust Deed has been executed as a deed by the Issuer and the Trustee and delivered on the date first stated on page 1.

TERMS AND CONDITIONS OF THE NOTES

This Note is one of a Series (as defined below) of Notes issued by Kojamo plc (the **Issuer**) constituted by a trust deed (such trust deed as modified and/or supplemented and/or restated from time to time, the **Trust Deed**) dated 29 March 2023 made between the Issuer and Deutsche Trustee Company Limited (the **Trustee**, which expression shall include any successor as Trustee).

References herein to the **Notes** shall be references to the Notes of this Series and shall mean:

- (a) in relation to any Notes represented by a global Note (a **Global Note**), units of each Specified Denomination in the Specified Currency;
- (b) any Global Note;
- (c) any definitive Notes in bearer form (**Bearer Notes**) issued in exchange for a Global Note in bearer form; and
- (d) any definitive Notes in registered form (**Registered Notes**) (whether or not issued in exchange for a Global Note in registered form).

The Notes and the Coupons (as defined below) have the benefit of an agency agreement (such agency agreement as amended and/or supplemented and/or restated from time to time, the **Agency Agreement**) dated 29 March 2023 and made between the Issuer, the Trustee, Deutsche Bank AG, London Branch as issuing and principal paying agent (the **Principal Paying Agent**, which expression shall include any successor principal paying agent) and the other paying agents named therein (together with the Principal Paying Agent, the **Paying Agents**, which expression shall include any additional or successor paying agents), Deutsche Bank Luxembourg S.A. as registrar (the **Registrar**, which expression shall include any successor registrar) and transfer agent (the **Transfer Agent**, which expression shall include any additional or successor transfer agent). The Principal Paying Agent, the Calculation Agent (if any is specified in the applicable Final Terms), the Registrar, the Paying Agents and the Transfer Agent are together referred to as the **Agents**.

The final terms for this Note (or the relevant provisions thereof) are set out in Part A of the Final Terms attached to or endorsed on this Note which supplement these terms and conditions (the **Conditions**). References to the **applicable Final Terms** are, unless otherwise stated, to Part A of the Final Terms (or the relevant provisions thereof) attached to or endorsed on this Note.

Interest bearing definitive Bearer Notes have interest coupons (**Coupons**) and, in the case of Bearer Notes which, when issued in definitive form, have more than 27 interest payments remaining, talons for further Coupons (**Talons**) attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Registered Notes and Global Notes do not have Coupons or Talons attached on issue.

The Trustee acts for the benefit of the Noteholders (which expression shall mean (in the case of Bearer Notes) the holders of the Notes and (in the case of Registered Notes) the persons in whose name the Notes are registered and shall, in relation to any Notes represented by a Global Note, be construed as provided below) and the holders of the Coupons (the **Couponholders**, which expression shall, unless the context otherwise requires, include the holders of the Talons), in accordance with the provisions of the Trust Deed.

As used herein, **Tranche** means Notes which are identical in all respects (including as to listing and admission to trading) and **Series** means a Tranche of Notes together with any further Tranche or Tranches of Notes which (i) are expressed to be consolidated and form a single series and (ii) have the same terms and conditions or terms and conditions which are the same in all respects save for the amount and date of the first payment of interest thereon and the date from which interest starts to accrue.

Copies of the Trust Deed and the Agency Agreement are available for inspection during normal business hours at the specified office for the time being of the Principal Paying Agent being at Winchester House, 1 Great Winchester Street, London EC2N 2DB, United Kingdom. If the Notes are to be admitted to trading on the regulated market of the Irish Stock Exchange plc trading as Euronext Dublin (**Euronext Dublin**) the applicable Final Terms will be published on the website of Euronext Dublin. The Noteholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Trust Deed, the Agency Agreement and the applicable Final Terms which are applicable to

them. The statements in the Conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed and the Agency Agreement.

Words and expressions defined in the Trust Deed, the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in the Conditions unless the context otherwise requires or unless otherwise stated and **provided that**, in the event of inconsistency between (i) the Trust Deed and the Agency Agreement, the Trust Deed will prevail and (ii) the Trust Deed or the Agency Agreement and the applicable Final Terms, the applicable Final Terms will prevail.

In the Conditions, **euro** means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended.

1. FORM, DENOMINATION AND TITLE

The Notes are in bearer form or in registered form as specified in the applicable Final Terms and, in the case of definitive Notes, serially numbered, in the currency (the **Specified Currency**) and the denominations (the **Specified Denomination(s)**) specified in the applicable Final Terms. Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination. Bearer Notes may not be exchanged for Registered Notes and vice versa.

This Note may be a Fixed Rate Note, a Floating Rate Note or a Zero Coupon Note, or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms.

Definitive Bearer Notes are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in the Conditions are not applicable.

Subject as set out below, title to the Bearer Notes and Coupons will pass by delivery and title to the Registered Notes will pass upon registration of transfers in accordance with the provisions of the Agency Agreement. The Issuer, the Trustee and any Agent will (except as otherwise required by law) deem and treat the bearer of any Bearer Note or Coupon and the registered holder of any Registered Note as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear Bank SA/NV (**Euroclear**) and/or Clearstream Banking S.A. (**Clearstream, Luxembourg**), each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Trustee and the Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Bearer Global Note or the registered holder of the relevant Registered Global Note shall be treated by the Issuer, the Trustee and any Agent as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions **Noteholder** and **holder of Notes** and related expressions shall be construed accordingly.

In determining whether a particular person is entitled to a particular nominal amount of Notes as aforesaid, the Trustee and each of the Agents may rely on such evidence and/or information and/or certification as it shall, in its absolute discretion, think fit and, if it does so rely, such evidence and/or information and/or certification shall, in the absence of manifest error, be conclusive and binding on all concerned.

Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear and/or Clearstream, Luxembourg, as the case may be. References to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing systems specified in Part B of the applicable Final Terms.

2. TRANSFERS OF REGISTERED NOTES

2.1 Transfers of interests in Registered Global Notes

Transfers of beneficial interests in Registered Global Notes will be effected by Euroclear or Clearstream, Luxembourg, as the case may be, and, in turn, by other participants and, if appropriate, indirect participants in such clearing systems acting on behalf of transferors and transferees of such interests. A beneficial interest in a Registered Global Note will, subject to compliance with all applicable legal and regulatory restrictions, be transferable for Notes in definitive form or for a beneficial interest in another Registered Global Note of the same series only in the authorised denominations set out in the applicable Final Terms and only in accordance with the rules and operating procedures for the time being of Euroclear or Clearstream, Luxembourg, as the case may be, and in accordance with the terms and conditions specified in the Trust Deed and the Agency Agreement.

2.2 Transfers of Registered Notes in definitive form

Subject as provided in Condition 2.3 (Registration of transfer upon partial redemption) below, upon the terms and subject to the conditions set forth in the Trust Deed and the Agency Agreement, a Registered Note in definitive form may be transferred in whole or in part (in the authorised denominations set out in the applicable Final Terms). In order to effect any such transfer (a) the holder or holders must (i) surrender the Registered Note for registration of the transfer of the Registered Note (or the relevant part of the Registered Note) at the specified office of any Transfer Agent, with the form of transfer thereon duly executed by the holder or holders thereof or their attorney or attorneys duly authorised in writing and (ii) complete and deposit such other certifications as may be required by the relevant Transfer Agent and (b) the relevant Transfer Agent must, after due and careful enquiry, be satisfied with the documents of title and the identity of the person making the request. Any such transfer will be subject to such reasonable regulations as the Issuer, the Trustee and the Registrar may from time to time prescribe (the initial such regulations being set out in Schedule 2 to the Agency Agreement). Subject as provided above, the relevant Transfer Agent will, within three business days (being for this purpose a day on which banks are open for business in the city where the specified office of the relevant Transfer Agent is located) of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations), authenticate and deliver, or procure the authentication and delivery of, at its specified office to the transferee or (at the risk of the transferee) send by uninsured mail, to such address as the transferee may request, a new Registered Note in definitive form of a like aggregate nominal amount to the Registered Note (or the relevant part of the Registered Note) transferred. In the case of the transfer of part only of a Registered Note in definitive form, a new Registered Note in definitive form in respect of the balance of the Registered Note not transferred will be so authenticated and delivered or (at the risk of the transferor) sent to the transferor.

2.3 Registration of transfer upon partial redemption

In the event of a partial redemption of Notes under Condition 7 (Redemption and Purchase), the Issuer shall not be required to register the transfer of any Registered Note, or part of a Registered Note, called for partial redemption.

2.4 Costs of registration

Noteholders will not be required to bear the costs and expenses of effecting any registration of transfer as provided above, except for any costs or expenses of delivery other than by regular uninsured mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration.

3. STATUS OF THE NOTES

The Notes and any relative Coupons are direct, unconditional, unsubordinated and (subject to the provisions of Condition 4.1 (Negative Pledge)) unsecured obligations of the Issuer and rank *pari passu* among themselves and (save for certain obligations required to be preferred by law) equally with all other unsecured obligations (other than subordinated obligations, if any) of the Issuer, from time to time outstanding.

4. COVENANTS

4.1 Negative Pledge

So long as any of the Notes remains outstanding (as defined in the Trust Deed) the Issuer will not, and will procure that none of its Subsidiaries (as defined below) will, create or have outstanding any mortgage, charge, lien, pledge or other security interest (each a **Security Interest**) (in each case other than a Permitted Security Interest), upon, or with respect to, any of the present or future business, undertaking, assets or revenues (including any uncalled capital) of the Issuer and/or any of its Subsidiaries to secure any Relevant Indebtedness (as defined below), unless the Issuer, in the case of the creation of the Security Interest, before or at the same time and, in any other case, promptly, takes any and all action necessary to ensure that:

- (a) all amounts payable by it under the Notes, the Coupons and the Trust Deed are secured by the Security Interest equally and rateably with the Relevant Indebtedness to the satisfaction of the Trustee; or
- (b) such other Security Interest or other arrangement (whether or not it includes the giving of a Security Interest) is provided either (i) as the Trustee in its absolute discretion deems not materially less beneficial to the interests of the Noteholders or (ii) as is approved by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders;

4.2 Financial Covenants

(a) Limitations on the Incurrence of Indebtedness

So long as any Note remains outstanding the Issuer will not, and will not permit any Subsidiary to, incur directly or indirectly any Indebtedness (excluding for the purposes of this Condition 4.2(a) any Permitted Refinancing Indebtedness) if, on the date of such incurrence and after giving pro forma effect thereto (including pro forma application of the proceeds), the Solvency Ratio would exceed 0.65;

(b) Maintenance of Coverage Ratio

So long as any Note remains outstanding the Issuer undertakes that on each Measurement Date the Coverage Ratio is not less than 1.8:1; and

(c) Limitations on the Incurrence of Secured Indebtedness

So long as any Note remains outstanding the Issuer will not, and will not permit any Subsidiary to incur directly or indirectly, any Secured Indebtedness (excluding for the purposes of this Condition 4.2(c) any Permitted Refinancing Indebtedness) if, on the date of such incurrence and after giving pro forma effect thereto (including pro forma application of the proceeds) the Secured Solvency Ratio would exceed 0.45.

The Issuer will promptly notify the Trustee in accordance with the Trust Deed in the event that any of the undertakings in this Condition 4.2 is breached at any time.

For so long as the Notes remain outstanding, the Issuer will deliver a certificate to the Trustee on each Reporting Date signed by any two Authorised Signatories (as defined in the Trust Deed) of the Issuer, certifying that the Issuer is in compliance with, and there has been no breach of, the undertakings set out in this Condition 4.2.

A certificate by any two Authorised Signatories of the Issuer as to any of the amounts referred to in this Condition 4.2, or any of the terms defined for the purposes of this Condition 4.2, shall be conclusive and binding on all parties and the Trustee may rely absolutely upon and shall be entitled to accept such certificate without any liability to any person for so doing and without any inquiry thereof.

5. INTEREST

5.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in the Conditions, **Fixed Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Notes in definitive form where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (a) in the case of Fixed Rate Notes which are (i) represented by a Global Note or (ii) Registered Notes in definitive form, the aggregate outstanding nominal amount of (A) the Fixed Rate Notes represented by such Global Note or (B) such Registered Notes; or
- (b) in the case of Fixed Rate Notes which are Bearer Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction.

The resultant figure (including after application of any Fixed Coupon Amount or Broken Amount, as applicable, to the aggregate outstanding nominal amount of Fixed Rate Notes which are Registered Notes in definitive form or to the Calculation Amount in the case of Fixed Rate Notes which are Bearer Notes in definitive form) shall be rounded to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Where the Specified Denomination of a Fixed Rate Note which is a Bearer Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

In these Conditions:

Calculation Amount has the meaning given in the applicable Final Terms;

Day Count Fraction means, in respect of the calculation of an amount of interest, in accordance with this Condition 5.1:

- (a) if **Actual/Actual (ICMA)** is specified in the applicable Final Terms:
 - (i) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **Accrual Period**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (A) the number of days in such Determination Period and (B) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or

- (ii) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (A) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
 - (B) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (b) if **30/360** is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

Determination Period means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

sub-unit means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, one cent.

5.2 Interest on Floating Rate Notes

(a) Interest Payment Dates

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an Interest Payment Date) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period. In these Conditions, **Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date or the relevant payment date if the Notes become payable on a date other than an Interest Payment Date.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition 5.2(a)(B), the Floating Rate Convention, such Interest Payment Date (I) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (ii) below shall apply mutatis mutandis or (II) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (a) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (b) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or

- (B) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (C) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (D) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Conditions, **Business Day** means:

- I. a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and each Additional Business Centre (other than TARGET System) specified in the applicable Final Terms;
- II. if TARGET System is specified as an Additional Business Centre in the applicable Final Terms, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer System (TARGET or T2) or any successor or replacement for that system (the **TARGET System**) is open; and
- III. either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the TARGET System is open.

(b) **Rate of Interest**

The Rate of Interest payable in respect of Floating Rate Notes for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation; or
- (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being either EURIBOR, CIBOR, STIBOR or NIBOR, as specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page (or such replacement page on that service which displays the information) as at 11.00 a.m. (Brussels time, in the case of EURIBOR, Copenhagen time, in the case of CIBOR or Stockholm time, in the case of STIBOR) or 12.00 noon (Oslo time, in the case of NIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Principal Paying Agent or the Calculation Agent, as applicable. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Principal Paying Agent or the Calculation Agent, as applicable, for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of Condition 5.2(b)(A), no offered quotation appears or, in the case of Condition 5.2(b)(B), fewer than three offered quotations appear, in each case as at the Specified Time, the Issuer shall request each of the Reference Banks to provide the Principal Paying Agent or the Calculation Agent, as applicable, with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Issuer with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with

0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Principal Paying Agent or the Calculation Agent, as applicable.

If on any Interest Determination Date one only or none of the Reference Banks provides the Issuer with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Principal Paying Agent or the Calculation Agent, as applicable, determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to the Principal Paying Agent or the Calculation Agent, as applicable, by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR), the Copenhagen inter-bank market (if the Reference Rate is CIBOR), the Stockholm inter-bank market (if the Reference Rate is STIBOR) or the Oslo inter-bank market (if the Reference Rate is NIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Principal Paying Agent or the Calculation Agent, as applicable, with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Principal Paying Agent or the Calculation Agent, as applicable, it is quoting to leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR), the Copenhagen inter-bank market (if the Reference Rate is CIBOR), the Stockholm inter-bank market (if the Reference Rate is STIBOR) or the Oslo inter-bank market (if the Reference Rate is NIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

(c) Minimum Rate of Interest and/or Maximum Rate of Interest

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of Condition 5.2(b) is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of Condition 5.2(b) is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(d) Determination of Rate of Interest and calculation of Interest Amounts

The Principal Paying Agent or the Calculation Agent, as applicable, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Principal Paying Agent or the Calculation Agent, as applicable, will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

(A) in the case of Floating Rate Notes which are (i) represented by a Global Note or (ii) Registered Notes in definitive form, the aggregate outstanding nominal amount of (A) the Notes represented by such Global Note or (B) such Registered Notes; or

(B) in the case of Floating Rate Notes which are Bearer Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note which

is a Bearer Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 5.2:

- (1) if **Actual/Actual (ISDA)** or **Actual/Actual** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (I) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (II) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (2) if **Actual/365 (Fixed)** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (3) if **Actual/365 (Sterling)** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (4) if **Actual/360** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (5) if **30/360, 360/360** or **Bond Basis** is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

Y₁ is the year, expressed as a number, in which the first day of the Interest Period falls;

Y₂ is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

M₁ is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

M₂ is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

D₁ is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and

D₂ is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (6) if **30E/360** or **Eurobond Basis** is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

Y₁ is the year, expressed as a number, in which the first day of the Interest Period falls;

Y₂ is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

M₁ is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

M₂ is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

D₁ is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case **D₁** will be 30; and

D₂ is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case **D₂** will be 30;

- (7) if 30E/360 (ISDA) is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

Y₁ is the year, expressed as a number, in which the first day of the Interest Period falls;

Y₂ is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

M₁ is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

M₂ is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

D₁ is the first calendar day, expressed as a number, of the Interest Period, unless (a) that day is the last day of February or (b) such number would be 31, in which case **D₁** will be 30; and

D₂ is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (a) that day is the last day of February but not the Maturity Date or (b) such number would be 31, in which case **D₂** will be 30.

(e) Linear Interpolation

Where Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Principal Paying Agent or the Calculation Agent, as applicable, by straight line linear interpolation by reference to two rates based on the relevant Reference Rate, one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period **provided however that** if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Principal Paying Agent or the Calculation Agent, as applicable, shall determine such rate at such time and by reference to such sources as it determines appropriate.

Designated Maturity means the period of time designated in the Reference Rate.

(f) Benchmark Event

Notwithstanding the provisions above in this Condition 5.2, if the Issuer, in consultation with the party responsible for determining the Rate of Interest (being the Principal Paying Agent, the Calculation Agent or such other party specified in the applicable Final Terms, as applicable), determines that a Benchmark Event has occurred in relation to an Original Reference Rate at any time when the Conditions provide for any Rate of Interest (or any component part thereof) to be determined by reference to such Original Reference Rate, then the following provisions shall apply:

(A) *Independent Adviser*

The Issuer shall use reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to determine (acting in good faith and in a commercially reasonable manner) a Successor Rate, failing which an Alternative Rate and in either case, an Adjustment Spread and any Benchmark Amendments (each as defined and as further described below) no later than five Business Days prior to the Interest Determination Date relating to the next succeeding Interest Period (the **IA Determination Cut-off Date**) for the purposes of determining the Rate of Interest applicable to the Notes for such next succeeding Interest Period and for all future Interest Periods (subject to the subsequent operation of this Condition 5.2(f) during any other future Interest Period(s));

(B) *Successor Rate or Alternative Rate*

If the Independent Adviser (acting in good faith and in a commercially reasonable manner) determines that:

- (1) there is a Successor Rate, then such Successor Rate (as adjusted by the applicable Adjustment Spread as provided in Condition 5.2(f)(C)) shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the subsequent further operation of this Condition 5.2(f)); or
- (2) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate (as adjusted by the applicable Adjustment Spread as provided in Condition 5.2(f)(C)) shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the further operation of this Condition 5.2(f));

(C) *Adjustment Spread*

If a Successor Rate or Alternative Rate is determined in accordance with Condition 5.2(f)(B), the Independent Adviser acting in good faith and in a commercially reasonable manner shall determine an Adjustment Spread (which may be expressed as a specified quantum or a formula or methodology for determining the applicable Adjustment Spread (and, for the avoidance of doubt, an Adjustment Spread may be positive, negative or zero)), which Adjustment Spread shall be applied to the Successor Rate or the Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a relevant component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable), subject to the subsequent further operation and adjustment as provided in this Condition 5.2(f).

(D) *Benchmark Amendments*

If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 5.2(f) and the Independent Adviser (acting in good faith) determines (i) that amendments to these Conditions, the Trust Deed and/or the Agency Agreement are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the **Benchmark Amendments**) and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 5.2(f), without any requirement for the consent or approval of Noteholders or Couponholders, vary these Conditions, the Trust Deed and/or the Agency Agreement (as applicable) to give effect to such Benchmark Amendments with effect from the date specified in such notice.

For the avoidance of doubt, the Trustee and Principal Paying Agent shall, at the request and expense of the Issuer, agree to use their reasonable endeavours to effect such Benchmark Amendments, including, *inter alia*, by execution of a deed or agreement supplemental to the Trust Deed or the Agency Agreement (as applicable), as the Issuer determines and certifies to the Trustee and the Principal Paying Agent may be required in order to give effect to this Condition 5.2(f) and neither the Trustee nor the Principal Paying Agent shall be liable to any party for any consequence thereof; notwithstanding any other provision of this Condition 5.2(f), neither the Trustee nor the Principal

Paying Agent (as applicable) shall be obliged to agree to any such Benchmark Amendments if the same would, in the sole opinion of the Trustee or the Principal Paying Agent (as applicable), expose it to any additional liabilities (in the case of the Trustee only against which it has not been indemnified, secured and/or pre-funded to its satisfaction) or increase the obligations, responsibilities or duties or reduce or amend its rights and/or the protective provisions afforded to it in the Trust Deed and/or these Conditions and/or the Agency Agreement (as applicable).

In connection with any such variation in accordance with this Condition 5.2(f), the Issuer shall comply with the rules of any stock exchange or other relevant authority on or by which the Notes are for the time being listed or admitted to trading.

(E) *Notices*

The Issuer shall no later than the IA Determination Cut-off Date notify the party responsible for determining the Rate of Interest (being the Principal Paying Agent, the Calculation Agent or such other party specified in the applicable Final Terms, as applicable), the Trustee, the Principal Paying Agent, the Paying Agents and, in accordance with Condition 14 (Notices), the Noteholders of any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments determined under this Condition 5.2(f). Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any. No later than notifying the Trustee and the Principal Paying Agent of the same, the Issuer shall deliver to the Trustee and the Principal Paying Agent a certificate signed by any two Authorised Signatories of the Issuer confirming (i) that a Benchmark Event has occurred, (ii) the Successor Rate or Alternative Rate (as applicable), (iii) the Adjustment Spread and (iv) where applicable, the terms of any changes pursuant to Condition 5.2(f)(D) above and certifying that the Benchmark Amendments are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread. The Trustee and the Principal Paying Agent shall be entitled to rely on such certificate (without enquiry or liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) and without prejudice to the Trustee's and the Principal Paying Agent's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Trustee, the Principal Paying Agent, the Calculation Agent, the Paying Agents and the Noteholders.

(F) *Survival of Original Reference Rate*

Without prejudice to the obligations of the Issuer under this Condition 5.2(f), the Original Reference Rate and the fallback provisions provided for in Condition 5.2(f) will continue to apply unless and until the party responsible for determining the Rate of Interest (being the Principal Paying Agent, the Calculation Agent or such other party specified in the applicable Final Terms, as applicable) has been notified of the Successor Rate or the Alternative Rate (as the case may be), or, the applicable Adjustment Spread and Benchmark Amendments (if applicable), in accordance with Condition 5.2(f)(E).

(G) *Fallbacks*

If, following the occurrence of a Benchmark Event and in relation to the determination of the Rate of Interest on the immediately following Interest Determination Date, the Issuer is unable to appoint an Independent Adviser or no Successor Rate or Alternative Rate (as applicable) is determined pursuant to this Condition 5.2(f) prior to the IA Determination Cut-off Date and the Relevant Screen Page is no longer available for use, the Rate of Interest applicable to the next succeeding Interest Period shall be equal to the Rate of Interest last determined in relation to the Notes in respect of the immediately preceding Interest Period (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Period).

For the avoidance of doubt, this Condition 5.2(f) shall apply to the determination of the Rate of Interest on the relevant Interest Determination Date only, and the Rate of Interest applicable to any subsequent Interest Period(s) is subject to the subsequent operation of, and to adjustment as provided in, this Condition 5.2(f).

For the purposes of this Condition 5.2(f):

Adjustment Spread means either a spread (which may be positive, negative or zero), or the formula or methodology for calculating a spread, in either case, which the Independent Adviser acting in good faith and a commercially reasonable manner determines is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- (A) in the case of a Successor Rate, is formally recommended, or formally provided as an option for parties to adopt, in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body;
- (B) (if no such recommendation or option has been made (or made available), or in the case of an Alternative Rate) the Independent Adviser (acting in good faith) determines is recognised or acknowledged as being in customary usage in international debt capital markets transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be);
- (C) (if the Independent Adviser determines that neither (A) nor (B) above applies) the Independent Adviser (acting in good faith) determines is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be); or
- (D) (if the Independent Adviser determines that none of (A), (B) or (C) applies) the Independent Adviser (acting in good faith) determines to be appropriate to reduce or eliminate, to the fullest extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Noteholders and Couponholders as a result of the replacement of the Original Reference Rate with the Successor Rate or the Alternative Rate (as the case may be);

Alternative Rate means an alternative to the Original Reference Rate which the Independent Adviser (acting in good faith) determines in accordance with Condition 5.2(f)(B) has replaced the Original Reference Rate in customary market usage in the international debt capital markets for the purposes of determining rates of interest (or the relevant component part thereof) for the same interest period and in the same Specified Currency as the Notes or, if the Independent Adviser determines there is no such rate, such other rate as the Independent Adviser (acting in good faith) determines is most comparable to the Original Reference Rate;

Benchmark Amendments has the meaning given to it in Condition 5.2(f)(D);

Benchmark Event means:

- (A) the Original Reference Rate ceasing to be published for a period of at least 5 Business Days or ceasing permanently to be calculated, administered and published;
- (B) the later of (i) the making of a public statement by the administrator or an insolvency official with jurisdiction over the administrator of the Original Reference Rate that it will, on or before a specified date, cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate) and (ii) the date falling six months prior to the date specified in (B)(i);
- (C) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate has been permanently or indefinitely discontinued;
- (D) the later of (i) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate will, on or before a specified date, be permanently

or indefinitely discontinued and (ii) the date falling six months prior to the date specified in (D)(i) above;

- (E) the later of (i) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that means the Original Reference Rate will be prohibited from being used or that its use will be subject to restrictions or adverse consequences, in each case on or before a specified date and (ii) the date falling six months prior to the specified date referred to in (E)(i) above;
- (F) it has or will prior to the next Interest Determination Date become unlawful for any Paying Agent, the Principal Paying Agent, the Calculation Agent, the Issuer or any other party to calculate any payments due to be made to any Noteholder or Couponholder using the Original Reference Rate (including, without limitation, under the Benchmarks Regulation (EU) 2016/1011, if applicable); or
- (G) the later of (i) the making of a public statement by the supervisor of the administrator of such Original Reference Rate announcing that such Original Reference Rate is or will, on or before a specified date, be no longer representative and (ii) the date falling six months prior to the specified date referred to in (G)(i) above;

Independent Adviser means an independent financial institution of international repute or other independent financial adviser experienced in the international capital markets, in each case appointed by the Issuer at its own expense and notified in writing to the Trustee. For the avoidance of doubt, an Independent Adviser appointed pursuant to this Condition 5.2(f) shall act in good faith as an expert and (in the absence of bad faith or fraud) shall have no liability whatsoever to the Issuer, the Trustee, the Paying Agents, the Noteholders or the Couponholders for any determination made by it pursuant to this Condition 5.2(f);

Original Reference Rate means the originally-specified Reference Rate used to determine the relevant Rate of Interest (or any component part thereof) in respect of any Interest Period(s) (provided that if, following one or more Benchmark Events, such originally-specified Reference Rate (or any Successor Rate or Alternative Rate which has replaced it) has been replaced by a (or a further) Successor Rate or Alternative Rate and a Benchmark Event subsequently occurs in respect of such Successor Rate or Alternative Rate, the term “Original Reference Rate” shall include any such Successor Rate or Alternative Rate);

Relevant Nominating Body means, in respect of an Original Reference Rate:

- (A) the central bank, reserve bank, monetary authority or any similar institution for the currency to which the Original Reference Rate relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the Original Reference Rate; or
- (B) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (a) the central bank, reserve bank, monetary authority or any similar institution for the currency to which the Original Reference Rate relates, (b) any central bank or other supervisory authority which is responsible for supervising the administrator of the Original Reference Rate, (c) a group of the aforementioned central banks or other supervisory authorities or (d) the Financial Stability Board or any part thereof; and

Successor Rate means a successor to or replacement of the Original Reference Rate or, where a Successor Rate or an Alternative Rate has been determined pursuant to Condition 5.2(f)(B), such Successor Rate or Alternative Rate, as applicable, which is formally recommended, or formally provided as an option for parties to adopt, by any Relevant Nominating Body.

(g) **Notification of Rate of Interest and Interest Amounts**

The Principal Paying Agent or the Calculation Agent, as applicable, will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Trustee and any stock exchange on which the relevant Floating Rate Notes are for the time being listed and notice thereof to be published in accordance with Condition 14 (Notices) as soon as possible after their **determination** but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will promptly be notified

to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 14 (Notices). For the purposes of this Condition 5.2(g), the expression **London Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

(h) Certificates to be final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5.2 by the Principal Paying Agent or, if applicable, the Calculation Agent, shall (in the absence of manifest error) be binding on the Issuer, the Principal Paying Agent, the Calculation Agent (if applicable), the other Agents and all Noteholders and Couponholders and (in the absence of wilful default or gross negligence) no liability to the Issuer, the Noteholders or the Couponholders shall attach to the Principal Paying Agent or, if applicable, the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

5.3 Accrual of interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid; and
- (b) as provided in the Trust Deed.

5.4 Calculation Agent

The Issuer shall procure that there shall at all times be one or more Calculation Agents if provision is made for them in respect of any Notes and for so long as such Note is outstanding. Where more than one Calculation Agent is appointed in respect of any Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest payable from time to time or to calculate any Interest Amount, Final Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer, shall (with prior notification to the Trustee) appoint a leading bank or investment banking firm engaged in the inter-bank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

6. PAYMENTS

6.1 Method of payment

Subject as provided below:

- (a) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively); and
- (b) payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 8 (Taxation) and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the **Code**) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements

thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 8 (Taxation)) any law implementing an intergovernmental approach thereto.

6.2 Presentation of definitive Bearer Notes and Coupons

Payments of principal in respect of definitive Bearer Notes will (subject as provided below) be made in the manner provided in Condition 6.1 (Method of payment) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Bearer Notes, and payments of interest in respect of definitive Bearer Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)).

Fixed Rate Notes in definitive bearer form (other than Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of ten years after the Relevant Date (as defined in Condition 8 (Taxation)) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 9 (Prescription)) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive bearer form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note or Long Maturity Note in definitive bearer form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A **Long Maturity Note** is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon **provided that** such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Bearer Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Bearer Note.

6.3 Payments in respect of Bearer Global Notes

Payments of principal and interest (if any) in respect of Notes represented by any Global Note in bearer form will (subject as provided below) be made in the manner specified above in relation to definitive Bearer Notes or otherwise in the manner specified in the relevant Global Note, where applicable against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made, distinguishing between any payment of principal and any payment of interest, will be made either on such Global Note by the Paying Agent to which it was presented or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

6.4 Payments in respect of Registered Notes

Payments of principal in respect of each Registered Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the register of holders of the Registered Notes maintained by the Registrar (the **Register**) (a) where in global form, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream, Luxembourg are open for business) before the relevant due date, and (b) where in definitive form, at the close of

business on the third business day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date. For these purposes, **Designated Account** means the account (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a Designated Bank and identified as such in the Register and **Designated Bank** means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively) and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest in respect of each Registered Note (whether or not in global form) will be made by transfer on the due date to the Designated Account of the holder (or the first named of joint holders) of the Registered Note appearing in the Register (a) where in global form, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream, Luxembourg are open for business) before the relevant due date, and (b) where in definitive form, at the close of business on the fifteenth day (whether or not such fifteenth day is a business day) before the relevant due date (the **Record Date**). Payment of the interest due in respect of each Registered Note on redemption will be made in the same manner as payment of the nominal amount of such Registered Note.

No commissions or expenses shall be charged to the holders by the Registrar in respect of any payments of principal or interest in respect of Registered Notes.

None of the Issuer, the Trustee or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

6.5 General provisions applicable to payments

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for their share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition 6.5, if any amount of principal and/or interest in respect of Bearer Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (a) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Bearer Notes in the manner provided above when due;
- (b) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (c) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

6.6 Payment Day

If the date for payment of any amount in respect of any Note or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, **Payment Day** means any day which (subject to Condition 9 (Prescription)) is:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits):

- (i) in the case of Notes in definitive form only, in the relevant place of presentation; and
 - (ii) in each Additional Financial Centre (other than TARGET System) specified in the applicable Final Terms;
- (b) if TARGET System is specified as an Additional Financial Centre in the applicable Final Terms, a day on which the TARGET System is open; and
- (c) either (i) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (ii) in relation to any sum payable in euro, a day on which the TARGET System is open.

6.7 Interpretation of principal and interest

Any reference in the Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (a) any additional amounts which may be payable with respect to principal under Condition 8 (Taxation) or under any undertaking or covenant given in addition thereto, or in substitution therefor, pursuant to the Trust Deed;
- (b) the Final Redemption Amount of the Notes;
- (c) the Early Redemption Amount of the Notes;
- (d) the Optional Redemption Amount(s) (if any) of the Notes;
- (e) the Change of Control Redemption Amount (if any) of the Notes; and
- (f) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in the Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 8 (Taxation) or under any undertaking or covenant given in addition thereto, or in substitution therefor, pursuant to the Trust Deed.

7. REDEMPTION AND PURCHASE

7.1 Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms.

7.2 Redemption for tax reasons

The Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note), on giving not less than the minimum period nor more than the maximum period of notice each as specified in the applicable Final Terms to the Trustee and the Principal Paying Agent and, in accordance with Condition 14 (Notices), the Noteholders (which notice shall be irrevocable), if the Issuer satisfies the Trustee immediately before the giving of such notice that:

- (a) on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 8 (Taxation) as a result of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction (as defined in Condition 8 (Taxation)) or any change in the application or official interpretation of such laws or regulations, which change or amendment

becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes; and

(b) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition 7.2, the Issuer shall deliver to the Trustee to make available at their specified office to the Noteholders (i) a certificate signed by any two Authorised Signatories of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and (ii) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment. The Trustee shall be entitled to accept the certificate (without liability or inquiry to any person) as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on the Noteholders and the Couponholders.

Notes redeemed pursuant to this Condition 7.2 will be redeemed at their Early Redemption Amount referred to in Condition 7.8 (Early Redemption Amounts) below together with any interest accrued to (but excluding) the date of redemption.

7.3 Redemption at the option of the Issuer (Issuer Call)

If Issuer Call is specified as being applicable in the applicable Final Terms, the Issuer may, having given not less than the minimum period nor more than the maximum period of notice each as specified in applicable Final Terms to the Noteholders in accordance with Condition 14 (Notices) (which notice shall be irrevocable (other than in the circumstances set out in the next sentence) and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) each as specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date.

Where the Optional Redemption Amount is Spens Amount or Make-whole Amount, any such notice of redemption may, at the Issuer's discretion, be subject to one or more conditions precedent, in which case such notice shall state that, in the Issuer's discretion, the Optional Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuer in its sole discretion) by the Optional Redemption Date, or by the Optional Redemption Date so delayed. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms.

The Optional Redemption Amount will either be the specified percentage of the nominal amount of the Notes stated in the applicable Final Terms or, if either Spens Amount or Make-whole Amount is specified in the applicable Final Terms, will be:

- (a) if Spens Amount is specified as being applicable in the applicable Final Terms, the higher of (i) 100 per cent. of the nominal amount outstanding of the Notes to be redeemed and (ii) the nominal amount outstanding of the Notes to be redeemed multiplied by the price, as reported to the Issuer, the Trustee and the Principal Paying Agent by the Determination Agent, at which the Gross Redemption Yield on such Notes on the Reference Date is equal to the Gross Redemption Yield (determined by reference to the middle market price) at the Quotation Time on the Reference Date of the Reference Bond, plus the Redemption Margin; or
- (b) if Make-whole Amount is specified as applicable in the applicable Final Terms, the higher of (i) 100 per cent. of the nominal amount outstanding of the Notes to be redeemed and (ii) the sum of the present values of the nominal amount outstanding of the Notes to be redeemed and the Remaining Term Interest on such Notes (exclusive of interest accrued to the date of redemption) and such present values shall be calculated by discounting such amounts to the date of redemption on an annual basis (based on the Day Count Fraction

specified in the applicable Final Terms) at the Reference Bond Rate, plus the Redemption Margin, all as determined by the Determination Agent.

Promptly upon the Issuer becoming aware that a Change of Control Put Event has occurred and, in any event, within five days of the Issuer becoming aware that such Change of Control Put Event has occurred, the Issuer shall, and at any time upon the Trustee becoming so aware (the Issuer having failed to do so) the Trustee may, and, if so requested by the holders of at least one-quarter in nominal amount of the Notes then outstanding, shall, (subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction) give notice (a **Change of Control Put Event Notice**) to the Noteholders in accordance with Condition 14 (Notices) specifying the nature of the Change of Control Put Event and the procedure for exercising the Change of Control Put Option.

As used in these Conditions:

- (c) there will at all times be a Paying Agent in a jurisdiction within Europe, other than the jurisdiction in which the Issuer is incorporated.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 6.5 (General provisions applicable to payments). Notice of any variation, termination, appointment or change in Paying Agents will be given to the Noteholders promptly by the Issuer in accordance with Condition 14 (Notices).

In acting under the Agency Agreement, the Agents act solely as agents of the Issuer and, in certain circumstances specified therein, of the Trustee and do not assume any obligation to, or relationship of agency or trust with, any Noteholder or Couponholder. The Agency Agreement contains provisions permitting any entity into which any Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor agent.

13. EXCHANGE OF TALONS

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of any Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 9 (Prescription).

14. NOTICES

All notices regarding the Bearer Notes will be deemed to be validly given if published in a leading English language daily newspaper of general circulation in London. It is expected that any such publication in a newspaper will be made in the *Financial Times* in London. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules of any stock exchange or other relevant authority on which the Bearer Notes are for the time being listed or by which they have been admitted to trading including publication on the website of the relevant stock exchange or relevant authority if required by those rules. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers. If publication as provided above is not practicable, a notice will be given in such other manner, and will be deemed to have been given on such date, as the Trustee shall approve.

All notices regarding the Registered Notes will be deemed to be validly given if sent by first class mail or (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth day after mailing and, in addition, for so long as any Registered Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published on the website of the relevant stock exchange or relevant authority and/or in a daily newspaper of general circulation in the place or places required by those rules.

Until such time as any definitive Notes are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) or such mailing the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published on the website of the relevant stock exchange or relevant authority and/or in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the holders of the Notes on the day after the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg.

Notices to be given by any holder of Notes shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Principal Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes). Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Principal Paying Agent or the Registrar through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Principal Paying Agent, the Registrar and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

15. SUBSTITUTION

The Trustee may, without the consent of the Noteholders or Couponholders, agree with the Issuer to the substitution in place of the Issuer (or of any previous substitute under this Condition 15) as the principal debtor under the Notes, the Coupons and the Trust Deed of any company being a Subsidiary of the Issuer, subject to:

- (i) the Notes being unconditionally and irrevocably guaranteed by the Issuer;
- (ii) the Trustee being satisfied that the substitution is not materially prejudicial to the interests of the Noteholders; and
- (iii) certain other conditions set out in the Trust Deed being complied with.

16. MEETINGS OF NOTEHOLDERS, MODIFICATION, WAIVER, AUTHORISATION AND DETERMINATION

16.1 Meetings of Noteholders

The Trust Deed contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes, the Coupons or any of the provisions of the Trust Deed. Such a meeting may be convened by the Issuer or the Trustee and shall be convened by the Issuer if required in writing by Noteholders holding not less than ten per cent. in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing not less than 50 per cent. in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes or the Coupons or the Trust Deed (including modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes or the Coupons in certain respects), the quorum shall be one or more persons holding or representing not less than two-thirds in nominal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-third in nominal amount of the Notes for the time being outstanding. The Trust Deed provides that (a) a resolution passed at a

meeting duly convened and held in accordance with the Trust Deed by a majority consisting of not less than three-fourths of the votes cast on such resolution, (b) a resolution in writing signed by or on behalf of the holders of not less than three-fourths in nominal amount of the Notes for the time being outstanding or (c) consent given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Trustee) by or on behalf of the holders of not less than three-fourths in nominal amount of the Notes for the time being outstanding, shall, in each case, be effective as an Extraordinary Resolution of the Noteholders. An Extraordinary Resolution passed by the Noteholders will be binding on all Noteholders, whether or not they are present at any meeting and whether or not they voted on the resolution, and on all Couponholders.

16.2 Modification, Waiver, Authorisation and Determination

The Trustee may agree, without the consent of the Noteholders or Couponholders, to any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of these Conditions or any of the provisions of the Trust Deed or the Agency Agreement, or determine, without any such consent as aforesaid, that any Event of Default or Potential Event of Default (as defined in the Trust Deed) shall not be treated as such (**provided that**, in any such case, it is not, in the opinion of the Trustee, materially prejudicial to the interests of the Noteholders) or may agree, without any such consent as aforesaid, to any modification which, in its opinion, is of a formal, minor or technical nature or to correct a manifest error or an error which, in the opinion of the Trustee, is proven.

In addition, the Trustee shall be obliged to use its reasonable endeavours to effect any Benchmark Amendments in the circumstances otherwise set out in Condition 5.2(f) without any requirement for consent or approval of the Noteholders or Couponholders.

16.3 Trustee to have Regard to Interests of Noteholders as a Class

In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorisation, determination or substitution), the Trustee shall have regard to the general interests of the Noteholders as a class but shall not have regard to any interests arising from circumstances particular to individual Noteholders or Couponholders (whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual Noteholders or Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer, the Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Noteholders or Couponholders except to the extent already provided for in Condition 8 (Taxation) and/or any undertaking or covenant given in addition to, or in substitution for, Condition 8 (Taxation) pursuant to the Trust Deed.

16.4 Notification to the Noteholders

Any modification, abrogation, waiver, authorisation, determination or substitution shall be binding on the Noteholders and the Couponholders and, unless the Trustee agrees otherwise, any modification or substitution shall be notified by the Issuer to the Noteholders as soon as practicable thereafter in accordance with Condition 14 (Notices).

17. INDEMNIFICATION AND PROTECTION OF THE TRUSTEE AND ITS CONTRACTING WITH THE ISSUER

17.1 Indemnification and protection of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility and liability towards the Issuer, the Noteholders and the Couponholders, including (a) provisions relieving it from taking action unless indemnified and/or secured and/or pre-funded to its satisfaction and (b) provisions limiting or excluding its liability in certain circumstances. The Trust Deed provides that, when determining whether an indemnity or any security or pre-funding is satisfactory to it, the Trustee shall be entitled (i) to evaluate its risk in any given circumstance by considering the worst-case scenario and (ii) to require that any indemnity or security given to it by the Noteholders or any of them be given on a joint and several basis and be supported by evidence satisfactory to it as to the financial standing and creditworthiness of each counterparty and/or as to the value of the

security and an opinion as to the capacity, power and authority of each counterparty and/or the validity and effectiveness of the security. The Trustee may rely without liability to the Noteholders or Couponholders on a report, confirmation or certificate or opinion or any advice of any accountants, financial advisers, financial institution or other expert, whether or not addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to rely on any such report, opinion, confirmation or certificate or advice and such report, opinion, confirmation, or certificate or advice shall be binding on the Issuer, the Trustee, the Noteholders and the Couponholders.

17.2 Trustee Contracting with the Issuer

The Trust Deed also contains provisions pursuant to which the Trustee is entitled, inter alia, (a) to enter into business transactions with the Issuer, and/or any of its Subsidiaries and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer or any of its Subsidiaries, (b) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Noteholders or Couponholders and (c) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

17.3 Trustee Actions

The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction. Furthermore, the Trustee may also refrain from taking such action if it would otherwise render it liable to any person in that jurisdiction or if, in its opinion based upon such legal advice, it would not have the power to do the relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction or if it is determined by any court or other competent authority in that jurisdiction that it does not have such power.

18. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Noteholders or the Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and the date from which interest starts to accrue and so that the same shall be consolidated and form a single Series with the outstanding Notes.

19. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No person shall have any right to enforce any term or condition of this Note under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

20. GOVERNING LAW AND SUBMISSION TO JURISDICTION

20.1 Governing law

The Trust Deed, the Agency Agreement, the Notes and the Coupons and any non-contractual obligations arising out of or in connection with the Trust Deed, the Agency Agreement, the Notes and the Coupons are governed by, and construed in accordance with, English law.

20.2 Submission to jurisdiction

(a) Subject to Condition 20.2(c) below, the English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with the Trust Deed, the Notes and/or the Coupons, including any dispute as to their existence, validity, interpretation, performance, breach or termination or the consequences of their nullity and any dispute relating to any non-contractual obligations arising out of or in connection with the Trust Deed, the Notes and/or the Coupons (a **Dispute**) and accordingly each of the Issuer and the Trustee and any Noteholders or Couponholders in relation to any Dispute submits to the exclusive jurisdiction of the English courts.

- (b) For the purposes of this Condition 20.2, the Issuer waives any objection to the English courts on the grounds that they are an inconvenient or inappropriate forum to settle any Dispute.
- (c) To the extent allowed by law, the Trustee, the Noteholders and the Couponholders may, in respect of any Dispute or Disputes, take (i) proceedings in any other court with jurisdiction; and (ii) concurrent proceedings in any number of jurisdictions.

20.3 **Appointment of Process Agent**

The Issuer irrevocably appoints Law Debenture Corporate Services Limited at 8th Floor, 100 Bishops gate, London, EC2N 4AG as its agent for service of process in any proceedings before the English courts in relation to any Dispute and agrees that, in the event of such agent being unable or unwilling for any reason so to act, it will immediately appoint another person approved by the Trustee as its agent for service of process in England in respect of any Dispute. The Issuer agrees that failure by a process agent to notify it of any process will not invalidate service. Nothing herein shall affect the right to serve process in any other manner permitted by law.

20.4 **Other documents**

The Issuer has in the Trust Deed and Agency Agreement submitted to the jurisdiction of the English courts and appointed an agent for service of process in terms substantially similar to those set out above.

FORM OF TEMPORARY BEARER GLOBAL NOTE

[ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE.]¹

KOJAMO PLC

(the **Issuer**)

(Incorporated with limited liability in the Republic of Finland)

This Note is a Temporary Bearer Global Note in respect of a duly authorised issue of Notes of the Issuer (the **Notes**) of the Nominal Amount, Specified Currency(ies) and Specified Denomination(s) as are specified in the Final Terms applicable to the Notes (the **Final Terms**). References herein to the Conditions shall be to the Terms and Conditions of the Notes as set out in Schedule 1 to the Trust Deed (as defined below) as supplemented, replaced and modified by the relevant information appearing in the Final Terms attached hereto but, in the event of any conflict between the provisions of the said Conditions and the information in the Final Terms, the Final Terms will prevail.

Words and expressions defined in the Conditions shall bear the same meanings when used in this Global Note.

This Global Note is issued subject to, and with the benefit of, the Conditions and a Trust Deed (such Trust Deed as modified and/or supplemented and/or restated from time to time, the **Trust Deed**) dated 29 March 2023 and made between the Issuer and Deutsche Trustee Company Limited as trustee for the holders of the Notes.

For value received, the Issuer, subject as hereinafter provided and subject to and in accordance with the Conditions and the Trust Deed, promises to pay to the bearer hereof on the Maturity Date and/or on such earlier date(s) as all or any of the Notes represented by this Global Note may become due and repayable in accordance with the Conditions and the Trust Deed, the amount payable under the Conditions in respect of such Notes on each such date and to pay interest (if any) on the nominal amount of the Notes from time to time represented by this Global Note calculated and payable as provided in the Conditions and the Trust Deed together with any other sums payable under the Conditions and the Trust Deed, upon presentation and, at maturity, surrender of this Global Note at the specified office of the Principal Paying Agent at Winchester House, 1 Great Winchester Street, London EC2N 2DB, United Kingdom or such other specified office as may be specified for this purpose in accordance with the Conditions or at the specified office of any of the other Paying Agents located outside the United States, its territories and possessions (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes, but in each case subject to the requirements as to certification referred to below.

¹ Delete where the original maturity of the Notes is 1 year or less.

On any redemption or payment of interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One hereto and the relevant space in Schedule One hereto recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption, payment or purchase and cancellation the nominal amount of this Global Note and the Notes represented by this Global Note shall be reduced by the nominal amount of such Notes so redeemed or purchased and cancelled from time to time of this Global Note. The nominal amount from time to time of this Global Note and of the Notes represented by this Global Note following any such redemption, payment or purchase and cancellation as aforesaid or any exchange as referred to below shall be the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part II or III of Schedule One hereto or in Schedule Two hereto.

If the Final Terms indicates that this Global Note is intended to be a New Global Note, the nominal amount of the Notes represented by this Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank SA/NV (**Euroclear**) and Clearstream Banking S.A. (**Clearstream, Luxembourg** and together with Euroclear, the **relevant Clearing Systems**). The records of the relevant Clearing Systems (which expression in this Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of each such customer's interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer upon request) stating the nominal amount of Notes represented by this Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the Final Terms indicates that this Global Note is not intended to be a New Global Note, the nominal amount from time to time of this Global Note and of the Notes represented by this Global Note shall be the amount stated in the Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part II, or III of Schedule One hereto or in Schedule Two hereto.

On any redemption of, or payment of interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note the Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered *pro rata* in the records of the relevant Clearing Systems, and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Note shall be reduced by the nominal amount of the Notes so redeemed or purchased and cancelled; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One hereto and the relevant space in Schedule One hereto recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption, payment or purchase and cancellation, the nominal amount of this Global Note and the Notes represented by this Global Note shall be reduced by the nominal amount of such Notes so redeemed or purchased and cancelled.

Payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make entries referred to above shall not affect such discharge.

Payments of principal and interest (if any) due prior to the Exchange Date (as defined below) will only be made to the bearer hereof to the extent that there is presented to the Principal Paying Agent by Clearstream, Luxembourg or Euroclear a certificate to the effect that it has received from or in respect of a person entitled to a beneficial interest in a particular nominal amount of the Notes represented by this Global Note (as shown by its records) a certificate of non-US beneficial ownership in the form required by it. The bearer of this Global Note will not (unless upon due presentation of this Global Note for exchange, delivery of the appropriate number of Definitive Bearer Notes (together, if applicable, with the Coupons and Talons appertaining thereto in or substantially in the forms set out in Parts 3, 4, and 5 of Schedule 2 to the Trust Deed) or, as the case may be, issue and delivery (or, as the case may be, endorsement) of the Permanent Bearer Global Note is improperly withheld or refused and such withholding or refusal is continuing at the relevant payment date) be entitled to receive any payment hereon due on or after the Exchange Date.

On or after the date (the **Exchange Date**) which is 40 days after the Issue Date this Global Note may be exchanged (free of charge) in whole or in part for, as specified in the Final Terms, either (a) Definitive Bearer Notes and (if applicable) Coupons and/or Talons (on the basis that all the appropriate details have been included on the face of such Definitive Bearer Notes and (if applicable) Coupons and/or Talons and the relevant information supplementing, replacing or modifying the Conditions appearing in the Final Terms has been endorsed on or attached to such Definitive Bearer Notes) or (b) either (if the Final Terms indicates that this Global Note is intended to be a New Global Note) interests recorded in the records of the relevant Clearing Systems in a Permanent Global Note or (if the Final Terms indicates that this Global Note is not intended to be a New Global Note) a Permanent Global Note, which in either case, is in or substantially in the form set out in Part 2 of Schedule 2 to the Trust Deed (together with the relevant information appearing in the Final Terms attached thereto).

If Definitive Bearer Notes and (if applicable) Coupons and/or Talons have already been issued in exchange for all the Notes represented for the time being by the Permanent Bearer Global Note, then this Global Note may only thereafter be exchanged for Definitive Bearer Notes and (if applicable) Coupons and/or Talons pursuant to the terms hereof.

Presentation of this Global Note for exchange shall be made by the bearer hereof on any day (other than a Saturday or Sunday) on which banks are open for business in London at the office of the Principal Paying Agent specified above. The Issuer shall procure that Definitive Bearer Notes or (as the case may be) the interests in the Permanent Bearer Global Note shall (in the case of Definitive Bearer Notes) be issued and delivered and (in the case of the Permanent Bearer Global Note where the Final Terms indicates that this Global Note is intended to be a New Global Note) be recorded in the records of the relevant Clearing Systems in exchange for only that portion of this Global Note in respect of which there shall have been presented to the Principal Paying Agent by Euroclear or Clearstream, Luxembourg a certificate to the effect that it has received from or in respect of a person entitled to a beneficial interest in a particular nominal amount of the Notes represented by this Global Note (as shown by its records) a certificate of non-US beneficial ownership in the form required by it.

On an exchange of the whole of this Global Note, this Global Note shall be surrendered to or to the order of the Principal Paying Agent. The Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Note is intended to be a New Global Note, on an exchange of the whole or part only of this Global Note, details of such exchange shall be entered *pro rata* in the records of the relevant Clearing Systems such that the nominal amount of Notes represented by this Global Note shall be reduced by the nominal amount of this Global Note so exchanged; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, on an exchange of part only of this Global Note details of such exchange shall be entered by or on

behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Global Note and the Notes represented by this Global Note shall be reduced by the nominal amount of this Global Note so exchanged. On any exchange of this Global Note for a Permanent Bearer Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two to the Permanent Bearer Global Note and the relevant space in Schedule Two thereto recording such exchange shall be signed by or on behalf of the Issuer.

Until the exchange of the whole of this Global Note as aforesaid, the bearer hereof shall (subject as provided in the next paragraph) in all respects (except as otherwise provided herein) be entitled to the same benefits as if he were the bearer of Definitive Bearer Notes and the relative Coupons and/or Talons (if any) in the form(s) set out in Part 3, Part 4 and Part 5 (as applicable) of Schedule 2 to the Trust Deed.

Each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular nominal amount of the Notes represented by this Global Note (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Trustee, the Principal Paying Agent and any other Paying Agent as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal and interest on such nominal amount of such Notes, the right to which shall be vested, as against the Issuer, solely in the bearer of this Global Note in accordance with and subject to the terms of this Global Note and the Trust Deed.

This Global Note and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law and the Issuer has in the Trust Deed submitted to the jurisdiction of the English courts for all purposes in connection with this Global Note.

A person who is not a party to this Global Note has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Note, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

This Global Note shall not be valid unless authenticated by Deutsche Bank AG, London Branch as Principal Paying Agent and, if the Final Terms indicates that this Global Note is intended to be a New Global Note (a) which is intended to be held in a manner which would allow Eurosystem-eligibility or (b) in respect of which effectuation is to be applicable, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems.

IN WITNESS whereof the Issuer has caused this Global Note to be signed manually or in facsimile by a person duly authorised on its behalf.

If the Final Terms indicates that this Global Note is intended to be a New Global Note, the nominal amount from time to time of this Global Note and of the Notes represented by this Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank SA/NV (**Euroclear**) and Clearstream Banking S.A. (**Clearstream, Luxembourg** and together with Euroclear, the **relevant Clearing Systems**). The records of the relevant Clearing Systems (which expression in this Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of each such customer's interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer upon request) stating the nominal amount of Notes represented by this Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the Final Terms indicates that this Global Note is not intended to be a New Global Note, the nominal amount from time to time of this Global Note and of the Notes represented by this Global Note shall be the amount stated in the Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part II, or Part III of Schedule One hereto or in Schedule Two hereto.

On any redemption or payment of interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note the Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Note shall be reduced by the nominal amount of the Notes so redeemed or purchased and cancelled; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One hereto and the relevant space in Schedule One hereto recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption, payment or purchase and cancellation, the nominal amount of this Global Note and the Notes represented by this Global Note shall be reduced by the nominal amount of such Notes so redeemed or purchased and cancelled.

Payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof and any failure to make entries referred to above shall not affect such discharge.

Where TEFRA D is specified in the applicable Final Terms, the Notes will initially have been represented by a Temporary Bearer Global Note. On any exchange of such Temporary Bearer Global Note issued in respect of the Notes for this Global Note or any part hereof, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule

Two hereto recording such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Global Note and the Notes represented by this Global Note shall be increased by the nominal amount of the Temporary Bearer Global Note so exchanged.

If the Notes represented by this Global Note were, on issue, represented by a Temporary Bearer Global Note then on any exchange of such Temporary Global Note for this Global Note or any part hereof, the Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such exchange shall be entered in the records of the relevant Clearing Systems such that the nominal amount of Notes represented by this Global Note shall be increased by the nominal amount of the Temporary Global Note so exchanged; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Global Note and the Notes represented by this Global Note shall be increased by the nominal amount of the Temporary Global Note so exchanged.

This Global Note may be exchanged (free of charge) in whole, but not in part, for Definitive Bearer Notes and (if applicable) Coupons and/or Talons in or substantially in the forms set out in Part 3, Part 4 and Part 5 of Schedule 2 to the Trust Deed (on the basis that all the appropriate details have been included on the face of such Definitive Notes and (if applicable) Coupons and/or Talons and the relevant information supplementing, replacing or modifying the Conditions appearing in the Final Terms has been endorsed on or attached to such Definitive Notes) upon the occurrence of an Exchange Event.

An Exchange Event means:

- (a) an Event of Default has occurred and is continuing;
- (b) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system satisfactory to the Trustee is available; or
- (c) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes in definitive form and a certificate to such effect from two Directors of the Issuer has been given to the Trustee.

Any such exchange shall occur on a date specified in the notice not more than 45 days after the date of receipt of the first relevant notice by the Principal Paying Agent.

The first notice requesting exchange in accordance with the above provisions shall give rise to the issue of Definitive Bearer Notes for the total nominal amount of Notes represented by this Global Note.

Any such exchange as aforesaid will be made upon presentation of this Global Note by the bearer hereof on any day (other than a Saturday or a Sunday) on which banks are open for business in London at the principal offices of the Principal Paying Agent.

The aggregate nominal amount of Definitive Bearer Notes issued upon an exchange of this Global Note will be equal to the aggregate nominal amount of this Global Note. On exchange of this Global Note

for Definitive Bearer Notes this Global Note should be surrendered to or to the order of the Principal Paying Agent.

Until the exchange of the whole of this Global Note as aforesaid, the bearer hereof shall (subject as provided in the next paragraph) in all respects be entitled to the same benefits as if he were the bearer of Definitive Notes and the relative Coupons and/or Talons (if any) in the form(s) set out in Parts 3 4 and 5 (as applicable) of Schedule 2 to the Trust Deed.

Each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular nominal amount of the Notes represented by this Global Note (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Trustee, the Principal Paying Agent and any other Paying Agent as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal and interest on such nominal amount of such Notes, the right to which shall be vested, as against the Issuer, solely in the bearer of this Global Note in accordance with and subject to the terms of this Global Note and the Trust Deed.

This Global Note and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law and the Issuer has in the Trust Deed submitted to the jurisdiction of the English courts for all purposes in connection with this Global Note.

A person who is not a party to this Global Note has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Note, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

This Global Note shall not be valid unless authenticated by Deutsche Bank AG, London Branch as Principal Paying Agent and, if the Final Terms indicates that this Global Note is intended to be a New Global Note (a) which is intended to be held in a manner which would allow Eurosystem eligibility or (b) in respect of which effectuation is to be applicable, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems.

4. A person (who may but need not be a Noteholder) nominated in writing by the Trustee shall be entitled to take the chair at the relevant meeting or adjourned meeting but if no such nomination is made or if at any meeting or adjourned meeting the person nominated shall not be present within 15 minutes after the time appointed for holding the meeting or adjourned meeting the Noteholders present shall choose one of their number to be Chairman, failing which the Issuer may appoint a Chairman. The Chairman of an adjourned meeting need not be the same person as was Chairman of the meeting from which the adjournment took place.
5. At any such meeting one or more persons holding Definitive Notes or voting certificates or being proxies or representatives and holding or representing in the aggregate not less than 50 per cent. of the nominal amount of the Notes for the time being outstanding shall (except for the purpose of passing an Extraordinary Resolution) form a quorum for the transaction of business and no business (other than the choosing of a Chairman) shall be transacted at any meeting unless the requisite quorum be present at the commencement of the relevant business. The quorum at any such meeting for passing an Extraordinary Resolution shall (subject as provided below) be one or more persons holding or representing not less than 50% in nominal amount of the Notes for the time being outstanding provided that at any meeting the business of which includes any of the following matters (each of which shall, subject only to Clauses 18.2 and 20 of the Trust Deed, only be capable of being effected after having been approved by Extraordinary Resolution) namely:
 - (a) reduction or cancellation of the amount payable or, where applicable, modification, except where such modification is in the opinion of the Trustee bound to result in an increase, of the method of calculating the amount payable or modification of the date of payment in respect of any principal or interest in respect of the Notes or, where applicable, of the method of calculating the date of payment in respect of any principal or interest in respect of the Notes;
 - (b) alteration of the currency in which payments under the Notes and Coupons are to be made;
 - (c) alteration of the majority required to pass an Extraordinary Resolution;
 - (d) the sanctioning of any such scheme or proposal as is described in paragraph 18(a) below; and
 - (e) alteration of this proviso or the proviso to paragraph 6 below;

((a) to (e) above, together, a **Basic Terms Modification**)

the quorum shall be one or more persons holding Definitive Notes or voting certificates or being proxies or representatives and holding or representing in the aggregate not less than two-thirds of the nominal amount of the Notes for the time being outstanding.

6. If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any such meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the meeting shall if convened upon the requisition of Noteholders be dissolved. In any other case it shall stand adjourned to the same day in the next week (or if such day is a public holiday the next succeeding business day) at the same time and place (except in the case of a meeting at which an Extraordinary Resolution is to be proposed in which case it shall stand adjourned for such period, being not less than 13 Clear Days nor more than 42 Clear Days, and to such place as may be appointed by the Chairman either at or subsequent to such meeting and approved by the Trustee). If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any adjourned meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the Chairman may either (with the approval of the Trustee) dissolve such meeting or adjourn the same for such period, being not less than 13 Clear Days (but without any maximum number of Clear Days), and to such place as may be appointed by the Chairman either at or subsequent to such adjourned meeting and approved by the Trustee, and the provisions of this sentence shall apply to all further adjourned such meetings. At any adjourned meeting one or more persons holding Definitive Notes or voting certificates or being proxies or representatives (whatever the nominal amount of the Notes so held or represented by them) shall (subject as provided below) form a quorum and shall have power to pass any Extraordinary Resolution or other resolution and to decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place had the requisite quorum been present provided that at any adjourned meeting the quorum for the transaction of business comprising any of the matters specified in the proviso to paragraph 5 above shall be one or more persons holding Definitive Notes or voting certificates or being proxies or representatives and holding or representing in the aggregate not less than one-third of the nominal amount of the Notes for the time being outstanding.
7. Notice of any adjourned meeting at which an Extraordinary Resolution is to be submitted shall be given in the same manner as notice of an original meeting but as if 10 were substituted for 21 in paragraph 3 above and such notice shall state the relevant quorum. Subject as aforesaid it shall not be necessary to give any notice of an adjourned meeting.
8. Every question submitted to a meeting shall be decided in the first instance by a show of hands and in case of equality of votes the Chairman shall both on a show of hands and on a poll have a casting vote in addition to the vote or votes (if any) to which he may be entitled as a Noteholder or as a holder of a voting certificate or as a proxy or as a representative.
9. At any meeting unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairman, the Issuer, the Trustee or any person present holding a Definitive Note or a voting certificate or being a proxy or representative (whatever the nominal amount of the Notes so held or represented by him) a declaration by the Chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
10. Subject to paragraph 12 below, if at any such meeting a poll is so demanded it shall be taken in such manner and subject as hereinafter provided either at once or after an adjournment as the Chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the motion on which the poll has been demanded.

11. The Chairman may with the consent of (and shall if directed by) any such meeting adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully (but for lack of required quorum) have been transacted at the meeting from which the adjournment took place.
12. Any poll demanded at any such meeting on the election of a Chairman or on any question of adjournment shall be taken at the meeting without adjournment.
13. The Trustee and its lawyers and any director, officer or employee of a corporation being a trustee of these presents and any director or officer of the Issuer, and its or their lawyers and any other person authorised so to do by the Trustee may attend and speak at any meeting. Save as aforesaid, but without prejudice to the proviso to the definition of "outstanding" in Clause 1, no person shall be entitled to attend and speak nor shall any person be entitled to vote at any meeting of Noteholders or join with others in requesting the convening of such a meeting or to exercise the rights conferred on Noteholders by Condition 10 unless he either produces the Definitive Bearer Note or Definitive Bearer Notes of which he is the holder or a voting certificate or is a proxy or a representative or is the holder of a Definitive Registered Note or Definitive Registered Notes. No person shall be entitled to vote at any meeting in respect of Notes held by, for the benefit of, or on behalf of, the Issuer or any Subsidiary of the Issuer. Nothing herein shall prevent any of the proxies named in any block voting instruction or form of proxy from being a director, officer or representative of or otherwise connected with the Issuer.
14. Subject as provided in paragraph 13 above hereof at any meeting:
 - (a) on a show of hands every person who is present in person and produces a Definitive Bearer Note or voting certificate or is a holder of a Definitive Registered Note or is a proxy or representative shall have one vote; and
 - (b) on a poll every person who is so present shall have one vote in respect of each €1 or such other amount as the Trustee may in its absolute discretion stipulate (or, in the case of meetings of holders of Notes denominated in another currency, such amount in such other currency as the Trustee in its absolute discretion may stipulate) in nominal amount of the Definitive Bearer Notes so produced or represented by the voting certificate so produced or in respect of which he is a proxy or representative or in respect of which (being a Definitive Registered Note) he is the registered holder.

Without prejudice to the obligations of the proxies named in any block voting instruction or form of proxy any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

15. The proxies named in any block voting instruction or form of proxy and representatives need not be Noteholders.
16. Each block voting instruction together (if so requested by the Trustee) with proof satisfactory to the Trustee of its due execution on behalf of the relevant Paying Agent and each form of proxy shall be deposited by the relevant Paying Agent or (as the case may be) by the Registrar or the relevant Transfer Agent at such place as the Trustee shall approve not less than 24 hours before the time appointed for holding the meeting or adjourned meeting at which the proxies named in the block voting instruction or form of proxy propose to vote and in default the block voting instruction or form of proxy shall not be treated as valid unless the Chairman of the meeting decides otherwise before such meeting or adjourned meeting proceeds to business. A notarially certified copy of each block voting instruction and form of proxy shall (if the Trustee

so requires) be deposited with the Trustee before the commencement of the meeting or adjourned meeting but the Trustee shall not thereby be obliged to investigate or be concerned with the validity of or the authority of the proxies named in any such block voting instruction or form of proxy.

17. Any vote given in accordance with the terms of a block voting instruction or form of proxy shall be valid notwithstanding the previous revocation or amendment of the block voting instruction or form of proxy or of any of the relevant Noteholders' instructions pursuant to which it was executed *provided that* no notice in writing of such revocation or amendment shall have been received from the relevant Paying Agent or in the case of a Registered Note from the holder thereof by the Issuer at its registered office (or such other place as may have been required or approved by the Trustee for the purpose) by the time being 24 hours and 48 hours respectively before the time appointed for holding the meeting or adjourned meeting at which the block voting instruction or form of proxy is to be used.
18. A meeting of the Noteholders shall in addition to the powers hereinbefore given have the following powers exercisable only by Extraordinary Resolution (subject to the provisions relating to quorum contained in paragraphs 5 and 6 above) namely:
 - (a) Power to sanction any compromise or arrangement proposed to be made between the Issuer, the Trustee, any Appointee and the Noteholders and Couponholders or any of them.
 - (b) Power to sanction any abrogation, modification, compromise or arrangement in respect of the rights of the Trustee, any Appointee, the Noteholders, Couponholders or the Issuer against any other or others of them or against any of their property whether such rights shall arise under these presents or otherwise.
 - (c) Power to assent to any modification of the provisions of these presents which shall be proposed by the Issuer, the Trustee or any Noteholder.
 - (d) Power to give any authority or sanction which under the provisions of these presents is required to be given by Extraordinary Resolution.
 - (e) Power to appoint any persons (whether Noteholders or not) as a committee or committees to represent the interests of the Noteholders and to confer upon such committee or committees any powers or discretions which the Noteholders could themselves exercise by Extraordinary Resolution.
 - (f) Power to approve of a person to be appointed a trustee and power to remove any trustee or trustees for the time being of these presents.
 - (g) Power to discharge or exonerate the Trustee and/or any Appointee from all liability in respect of any act or omission for which the Trustee and/or such Appointee may have become responsible under these presents.
 - (h) Power to authorise the Trustee and/or any Appointee to concur in and execute and do all such deeds, instruments, acts and things as may be necessary to carry out and give effect to any Extraordinary Resolution.
 - (i) Power to sanction any scheme or proposal for the exchange or sale of the Notes for or the conversion of the Notes into or the cancellation of the Notes in consideration of shares, stock, notes, bonds, debentures, debenture stock and/or other obligations and/or

securities of the Issuer or any other company formed or to be formed, or for or into or in consideration of cash, or partly for or into or in consideration of such shares, stock, notes, bonds, debentures, debenture stock and/or other obligations and/or securities as aforesaid and partly for or into or in consideration of cash and for the appointment of some person with power on behalf of the Noteholders to execute an instrument of transfer of the Registered Notes held by them in favour of the persons with or to whom the Notes are to be exchanged or sold respectively.

19. Any resolution (i) passed at a meeting of the Noteholders duly convened and held in accordance with these presents, (ii) passed as a resolution in writing in accordance with these presents or (iii) passed by way of electronic consents given by holders through the relevant Clearing System(s) in accordance with these presents shall be binding upon all the Noteholders whether present or not present or whether or not represented at such meeting and whether or not voting and upon all Couponholders and each of them shall be bound to give effect thereto accordingly and the passing of any such resolution shall be conclusive evidence that the circumstances justify the passing thereof. Notice of the result of the voting on any resolution duly considered by the Noteholders shall be published in accordance with Condition 14 by the Issuer within 14 days of such result being known provided that the non-publication of such notice shall not invalidate such result.
20. The expression **Extraordinary Resolution** when used in these presents means (a) a resolution passed at a meeting of the Noteholders duly convened and held in accordance with these presents by a majority consisting of not less than three-fourths of the persons voting thereat upon a show of hands or if a poll is duly demanded by a majority consisting of not less than three-fourths of the votes cast on such poll; (b) a resolution in writing signed by or on behalf of at least three-fourths of the Noteholders in nominal amount of the Notes for the time being outstanding, which resolution in writing may be contained in one document or in several documents in like form each signed by or on behalf of one or more of the Noteholders; or (c) consent given by way of electronic consents through the relevant Clearing System(s) (in a form satisfactory to the Trustee) by or on behalf of the holders of not less than three-fourths in nominal amount of the Notes for the time being outstanding.
21. Minutes of all resolutions and proceedings at every meeting of the Noteholders shall be made and entered in books to be from time to time provided for that purpose by the Issuer and any such minutes as aforesaid if purporting to be signed by the Chairman of the meeting at which such resolutions were passed or proceedings transacted shall be conclusive evidence of the matters therein contained and until the contrary is proved every such meeting in respect of the proceedings of which minutes have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings transacted thereat to have been duly passed or transacted.
22. (a) If and whenever the Issuer shall have issued and have outstanding Notes of more than one Series the foregoing provisions of this Schedule shall have effect subject to the following modifications:
 - (i) a resolution which in the opinion of the Trustee affects the Notes of only one Series shall be deemed to have been duly passed if passed at a separate meeting (or by a separate resolution in writing or by a separate resolution passed by way of electronic consents received through the relevant Clearing System(s)) of the holders of the Notes of that Series;
 - (ii) a resolution which in the opinion of the Trustee affects the Notes of more than one Series but does not give rise (in the opinion of the Trustee) to an actual or

potential conflict of interest between the holders of Notes of any of the Series so affected shall be deemed to have been duly passed if passed at a single meeting (or by a single resolution in writing or by a single resolution passed by way of electronic consents received through the relevant Clearing System(s)) of the holders of the Notes of all the Series so affected;

- (iii) a resolution which in the opinion of the Trustee affects the Notes of more than one Series and gives or may give rise (in the opinion of the Trustee) to a conflict of interest between the holders of the Notes of one Series or group of Series so affected and the holders of the Notes of another Series or group of Series so affected shall be deemed to have been duly passed only if passed at separate meetings (or by separate resolutions in writing or by separate resolutions passed by way of electronic consents received through the relevant Clearing System(s)) of the holders of the Notes of each Series or group of Series so affected; and
